NEW YORK

NEW YORK (AP) — Stock market averages wilted Monday as an assortment of blue chips faded—but considerably more stocks advanced than declined in the over-all list.

Trading was fairly active, with volume at 5,770,000 shares compared with 4,940,000 Friday when Lincoln's birthday caused semi-holiday conditions.

The Dow Jones industrial average — which had been ahead 4.40 at the end of the first hour—closed with a net loss of 3.15 at 885.32.

This steep decline of 7.25 from the top to the bottom was caused mainly by sharp losses in a few of the 30 components of the Dow Industrials and fractional loses by several more.

Chrysler was one of the main factors, losing 2⅛ at 54¾ on 223,700 shares, making it the most active stock. Wall Street was still reacting unfavorably to prospects of Chrysler's stock rights offering which, it is felt, will lower the sights considerably on this year's per-share earnings.

The Associated Press average of 60 stocks lost .8 at 331.9.

A factor in the retreat of the average was du Pont, which sold as low as 254⅜ during the day, but closed at 256 for a net loss of ½.

Hudson Bay and McIntyre Porcupine finished ½ higher among Canadians.

Prices were irregularly lower on the American Stock Exchange. Brazilian Traction was up ⅛. Preston Mines and Fargo Oil were small fractions lower.
