IN MEMORIAM

MRS. KATHERINE MacKAY

Relatives and friends were saddened to learn of the passing of Mrs. Daniel MacKay at the home of her son Murdock Nicholson, 80 Euston St., Charlottetown on September 16th.

The late Mrs. MacKay although confined to her room for a number of years and considering the fact that she was in her 94th year, enjoyed remarkably good health and took a keen interest in her family, relatives and friends, until a few months prior to her demise, when she became ill and her condition was discovered to be of a serious nature

This condition gradually worsened as the weeks passed and it became apparent that a long and most useful life was nearing the end of its earthly journey and on the above mentioned date, she went to be with her Saviour and Lord, whom she came to know early in life and through the many years had proven through joys and sorrows that He is a friend who will never leave nor forsake those who trust in Him

The Bible was her constant companion, daily receiving strength and comfort from its precious pages. She could say with the Psalmist "Thy Word is a lamp unto my feet and a light unto my path."

The late Mrs. MacKay was born in Hartsville, March 15th, 1864, and was the daughter of the late Murdo MacLennan and his wife Janie MacLeod.

The deceased was twice married, her first marriage was to Peter Nicholson of Clyde and to this union two sons and two daughters were born. Her husband suddenly passed away at an early age.

Her second marriage in 1921 was to Daniel MacKay of Milton who passed away two years later.

Apart from extended visits to Eastern United States and Toronto, Ontario, the deceased made her home with her son and daughter-in-law, Mr. and Mrs. Murdock Nicholson who tenderly cared for their mother during her declining years.

The late Mrs. MacKay leaves to mourn her passing besides many friends two sons and two daughters. They are Donald of Clyde, Prince Edward Island; Murdock, Charlottetown, Janie, (Mrs. Gordon MacLeod) Toronto, and Chris (Mrs. John D. MacKenzie) Somerville, Mass. Also eight grandchildren and seven great grandchildren, also three brothers and one sister, Alex S. MacLennan, New Haven, Conn., Kenneth and Duncan MacLennan of Quincy, Mass. U.S.A. Janie, Mrs. John D. Nicholson, Cape Traverse. Also a nephew who was raised by the deceased from childhood, Howard MacLennan, who resides at Clyde.

The funeral which was largely attended was held from the MacLean Funeral Home and was conducted by the Rev. W. H. Brown, assisted by Rev. A. E. Piercey of Milton. Rev. Donald Nicholson sang a solo during the service "My Hope Is Built."

Pall bearers were Messrs J. B. Madson, William Buchanan, E. A. Cudmore, Donald MacInnis, John A. MacInnis and John MacLennan.

The remains were tenderly laid to rest in the family plot in Hartsville cemetery.

SHOULD PROTEST

CARP, Ont. (CP) — Canadian farmers should make their objections known on the imposition of tolls on the St. Lawrence seaway, Gordon Greer of Ottawa, president of the Ontario Federation of Agriculture, said Wednesday. He said tolls will seriously handicap the agriculture industry and cannot help but compli ate the freight situation generally.

Funds For Relief Short

OTTAWA (CP)—While the capital already is showing signs of bright Christmas trimmings, there's a decidedly blue tinge around Unitarian Service Committee headquarters here.

The USC, with 33 humanitarian projects in 10 overseas countries, is $60,000 short of its $175,000 Christmas campaign goal.

USC officials said the committee also needs 25,000 pullovers for Korean youngsters and 25,000 layettes for Arab refugee infants.

A USC spokesman said thousands of needy children depend on the food, clothing, shelter, education and medical assistance made possible through the voluntary, Canadian relief agency.

Is Critical Of PM's Views On Unemployment

MONTREAL (CP)—M. J. Coldwell, national CCF leader, said Thursday night Prime Minister Diefenbaker is making an "amazing and reprehensible" attempt to stop public discussion of the unemployment situation.

He said that Mr. Diefenbaker, in a recent radio broadcast, had suggested such discussion could lead to a depression.

"Those who warn about the dangers of mass unemployment are not spreading gloom and doom, as the prime minister has tried to say, but we are giving the warnings that the Conservatives when they were in opposition said should be given."

Mr. Coldwell was speaking at a public meeting marking the 25th anniversary of the CCF party.

His statements were included in a partial text of a speech issued to the press before delivery.

The CCF was "merely looking at the fact," he said. A government agency had reported that unemployment on Oct. 19 was more than double the level of a year earlier.

It was disappointing and shocking that Mr. Diefenbaker should say that the situation was "a pause in the rapid pace of expansion."

Mr. Coldwell said present unemployment of 280,000 means a loss of about $112,000,000 of production a month.

"I say this 'pause' is dearly bought in terms of human suffering and as well in terms of the loss in production."
