NEW YORK

NEW YORK (AP) — The stock market declined moderately on Thursday, snipping a three-day surge to record peaks. Profit taking tilted the balance to the losing side.

A few special situations made sizable gains. Notable among these was Pfizer which staged a late run-up of 8¾.

Steels and motors paced the retreat most of the day. Also on the losing side were rails, coppers and electrical equipments.

The Associated Press 60-stock index dropped 70 cents to $205.40.

Canadian issues were mixed. Walker-Gooderham lost a point, Canadian Pacific and International Nickel ½ each, Aluminium Ltd. and Distellers-Seagrams ¼ McIntyre Porcupine, Dome Mines and Granby Mining made small gains.

Among Canadians on the American Stock Exchange Canadian Marconi and Shawinigan were lower, Preston East Dome and Fargo Oil higher.
