DIAL 8506 FOR GUARDIAN WANT ADS

IN MEMORIAM

MACDONALD —In loving memory of R.J. MacDonald who passed away November 4, 1953.
Lovingly remembered by his wife and family.

HATELY—In memory of Donnie Hately killed Nov. 3, 1956.
How ever long our life may be
Whatever lands we view
Whatever joys or griefs be ours
We will always remember you.
Sadly missed by aunt Vera, Uncle Albert and Sonny.

HATELY—In memory of Donnie Hately killed Nov. 3, 1956.
'Tis only a grave but it still needs care,
For the brother we loved is sleeping there,
His loving smile, his welcome face,
No one can fill his vacatn place.
Sadly missed by sister Edna.

HATELY — In loving memory of Donald Hately, killed in car accident November 3, 1956.

In our hearts love's memory lingers
Tender loving kind and true
There is not a day dear Donnie
That we do not think of you.
Sadly missed by Mom, Brothers and Sisters.

HATELY — In loving memory of Donald Hately killed in car accident November 3, 1956.

What would I give to clasp his hand
His happy face to see
To hear his voice and see him smile
That meant so much to me.
Always remembered by his sister Neen.

HATELY—In loving memory of Donnie Hately, killed November 3rd, 1956.
Tho tears in our eyes do not glisten,
And our face is not always sad,
There is never a night or a morning
But we think of the loved one we had.
Ever remembered by Aunt Hattie and Uncle Bert.

GALLANT—In loving memory of our father James L. Gallant who died November 3, 1953 and our mother, Mrs. James L. Gallant, who died December 25th, 1928.
Down a road that's calm and peaceful
Guided by God's loving hand.
They have gone upon a journey
To a distant, better land.
And altho' our hearts are heavy
With a sorrow we must bear
Its still helps to bring us comfort,
Knowing they are happy there.
Always remember by the family.

Ont. Dairyman Killed By Bull

The most dangerous animal in the world, the "quiet" dairy bull, claimed another victim on October 26, when F.C. (Cliff) Eligh, one of Canada's most prominent dairymen was killed by his three year old herdsire Mr. Eligh lived at Finch, near Cornwall, Ontario. He had apparently entered the bull's pen while alone and had been attacked. His badly gored body was discovered later by the hired man who had been plowing.

Mr. Eligh was President of the Holstein-Friesian Association of Canada in 1956, and was prominent as a judge and in community life. He was a Master Breeder.

The funeral will take place on Tuesday, October 2, at 2.00 p. m. from the United Church at Finch.

CARD OF THANKS

I wish to express my sincere thanks to Dr. E.S. Giddings, Dr. Prowse, Nurses and Staff of the P.E.I. Hospital for their kindness to me while a patient there. Also Sr. Capt. John Carter, A.B. Cutcliffe, Ira Gay and friends who visited me and for cards, letters, treats and flowers received. To all a sincere thank you. Mrs. Alex Birt, Charlottetown.

IN MEMORIAM

JEROME MacDONALD

The death of Jerome MacDonald, a highly respected and life long resident of Newport, occurred in the City Hospital, Charlottetown on Sept. 30th, 1957. His passing a few days of hospitalization and the tender care and attention of his wife and family, came as a distinct shock to his relatives and friends.

In his demise, there is removed from the community in which he lived, a citizen of sterling qualities of heart and mind. He professed and displayed the ideals of his convictions together with a temperment at all times pleasing. His Christian disposition and moral character, which characterized his life at home and among friends, won for him the respect and admiration of all who had the pleasure of his acquaintance.

In early life he chose in marriage his life's partner, Mamie Yorston of Launching, who in loyalty and devotion and their duties to one another by thrift and industry and a dutiful family earned for him the admiration of many.

To know the true spirit of the late Mr. MacDonald, was to visit his home, where one was extended a warm welcome and ejoy his pleasing conversation, which was at all times graced with humour and sound judgement.

A visible mark of the esteem in which the deceased was held, was the large number of friends who viewed his mortal remains, offered masses and extended sympathy. There are left to mourn his passing, a sorrowing widow and the following sons and daughter, all of whom were home to attend the funeral, Angus D. MacDonald (farmer) on the home stead at Newport; Michael J. MacDonald (farmer), Newport, Charles MacDonald, (farmer), Poplar Point; John George MacDonald, (Carpenter), U.S.A; Elizabeth (Mrs. Lawrence Hennessey, U.S.A;

The funeral under the direction of Wm. Brown of the Hennessey Home, Charlottetown, which was very largely attended was held from his late residence at Newport on Thursday morning, October 3rd to St. George's Church, St. George's, where a solemn Requiem High Mass was celebrated by the pastor, Rev. B. J. MacDonald who also conducted the services in the church cemetery, where the mortal remains of a loving husband, a devoted father a a kindly neighbour were tenderly laid to rest.

The pall bearers were: Leo Fay, Sylvanius Yorston, Joseph J. MacDonald, Louis Fitzpatrick, Lewis P. Campbell and Michael Steele.

CARD OF THANKS

Mrs. Jerome MacDonald and family of Newport, extend sincere thanks to their pastor, Rev. B. J. MacDonald, the staff of the City Hospital, Charlottetown, the Sisters of the Precious Blood, the Crown of the Hennessey Funeral Home for their courtesy and acts of kindness. To all who sent Mass cards, floral tributes, enrolments, messages of sympathy and all kind friends and neighbours who in anyway assisted during our recent sad bereavement.
Some years later he removed to High Bank where he resided up to two years ago when he moved to Port Credit, Ont.

The late Mr. MacLeod was a man held in high esteem, for his honorable upright character, and had a very large circle of friends. In 1954 his wife formerly Elizabeth MacPherson passed away suddenly at their home in High Bank.

The following family survive: (Ann), Mrs. Anthony Vugt, Anaheim, California; (Ruth), Mrs. John Hickox, Port Credit, Ont.; (Alice), Mrs. E. Hogan, Toronto, Ont.; Michael, Halifax, N.S.; and Bruce, Little Sands, P.E.I

A son Malcolm was drowned in Port Credit, Ont., some 11 years ago. One brother Dr. Angus MacLeod, Menlo Park, California also survives. A brother, Donald MacLeod who was for many years a teacher in this Province died in 1947.

His remains arrived in Charlottetown on Saturday evening and on Sunday afternoon Oct. 6th. his funeral was held from the Little Sands United Church and was very largely attended. The services at the church and grave were taken by Rev. L.S. Woolfrey.

The pall bearers were his former neighbors at High Bank, Messrs. Bruce Stewart, Angus M. Stewart, John D. Bruce, Geo. Livingstone, Stanley Livingstone and Walter Livingstone.

The many beautiful flowers testify to the respect felt for him and sympathy for the family. He was laid to rest in the family plot in the Little Sands Cemetery.

CARD OF THANKS

The family of the late Mr. Malcolm M. MacLeod wish to express their sincere thanks to the many friends who were so helpfcl to them in their bereavement and for flowers, cards and letters of sympathy.

Says Pledges Not Honored

OTTAWA (CP)—Hon. George Marler, former Liberal transport minister, says the Progressive Conservative government is not honoring its election pledges for higher old age pensions.

Mr. Marler, Commons member for Montreal St. Antoine-Westmount, spoke Thursday on a government resolution for a statutory to legislation to increase old age pensions to $55 a month from $46.

The resolution provides, in addition to the $9 increase, for a reduction to 10 years from 20 in basic residence requirements, and an increase to six months from three in permissible absences from the country without loss of pension.

Consider Plan To Dispose Of Wheat Surplus

OTTAWA (CP) — Trade Minister Churchill hinted broadly Thursday the government is contemplating new moves, possibly toward some system similar to that of the United States, in disposing of Canada's wheat surplus.

He also indicated, however, that any such action likely would not be taken until the next session of Parliament, expected to start early next year.

His hint came as he replied to a Commons speech by Hazen Argue (CCF — Assiniboia) suggesting Canadian farmers won't be able to deliver much grain this year unless offsite storage and sales policies "which would match sales policies in effect today" were instituted in this country.

Speaking later, Mr. Churchill said Mr. Argue had "suggested there might be means of dealing with deliveries and the marketing of grain other than those which now are possible."

The trade minister, whose cabinet jurisdiction covers wheat marketing, added: "We are not averse to considering other means and we may very well have suggestions to make."

IN MEMORIAM

MALCOLM M. MACLEOD

His many friends in this Province were greatly saddened when the news was received that Mr. Malcolm M. MacLeod, had suddenly passed away at Port Credit, Ontario, on October 2nd., 1957.

Mr. MacLeod had only returned to Ontario, after spending his holidays with his son at Little Sands, and friends in other parts of the Province.

Mr. MacLeod was born in Point Prim P.E.I. in 1887 when a young man he went to the United States and some thirty-five years he returned to the Province and purchased a farm at Pinette.

TRUCK FOR SALE

'55 Chev., ¾-ton Express. A bargain for someone who can do their own "FIXIN"

F. R. McLAINE

D. J. RILEY,
Auctioneer.

Schooner Sails From Halifax For Europe

HALIFAX (CP)—Two men, a woman and a 15-year-old girl manned the sails of a 47-foot schooner today and steered the vessel out of Halifax harbour toward the Azores and Europe.

Skipper Bill English, his wife, their daughter and Bryan Chapman, 32 - year - old Englishman took the Owl out over calm grey waters early Thursday and headed across the Atlantic on their second attempt. Their first attempt to sail from Northport, N.Y., ended when Hurricane Carrie chased them into Halifax Sept. 24. Since then they have repaired all damage.

English, 32, who quit his contract and patent engineering job in Northport to make the voyage, hopes to sell sailing men on a new compass corrector he designed.

He hopes to take his Nova Scotia-built schooner to the Azores in 18 or 20 days and move on to Lisbon before Christmas. The party has enough food for three months. After a visit to Europe they will go to the Canary Islands and then go to the Caribbean where the English family hopes to settle. Mr. English says he is tired of "cold weather and the conventions of city life."
