Safety 99 Tires and Camper Trailers

The new HIGH-MILEAGE SAFETY "99" ... plus POLYESTER

THE ULTIMATE IN TIRE SAFETY, MILEAGE and a FREE-ROLLING RIDE

40,000 GUARANTEED MILES of rated treadwear service

A NEW TIRE, IF IT PUNCTURES — High-Mileage Safety "99" is guaranteed against glass cuts, stone cuts, bruises... but this premium-tough tire is so indestructible that it will actually be replaced with a new tire, if it punctures (see guarantee).

SAFETY '99' HIGH-MILEAGE POLYESTER

- ... can't "flat-spot," eliminates "cold morning thump"
- ... can't moisture-rot and cause a blowout
- ... built to deliver more miles of smoother, safe driving, than any other tire
- ... stays "round"—you can actually "feel" the extra control and stability right through the steering wheel
- ... equals or exceeds ALL safety requirements; S.A.E. J918A and RMA-1, Canada and U.S.A.

(Yes, Polyester Safety "99" does cost a little more — but it's a mighty small price to pay for this new dimension in driving pleasure, comfort and security.)
