the scrutiny another. But the fact is, that Mr. Whelan has never read the Act, or read it as he would a novel—a species of study he is much more *slow fail* at, than that of the Statutes at large—or he would not have inserted such contemptible nonsence as the following:

"The letter and spirit of the two sections of the Law, in reference to scrutinies are dead against him; one enacts that the demand must be within an hour from the declaration of the state of the poll to the proclamation of members elected; and the other enacts that "*at the declaration*" is the time for demanding a scrutiny, either when or after an investigation of votes polled more than once, or polled out of the district has been had, *and not until such investigation had not exceed the hour mentioned in the previous clause*."

Now, had Mr. Whelan paid the least attention to the 40th section, he would have perceived that the Sheriff, when an investigation is demanded, is "to adjourn the Court to the day but one thereafter, at nine o'clock in the forenoon, at the same Court House;" so that if a demand for an investigation had been made, the Sheriff would have had no occasion to wait a moment, much less an hour, and no proclamation could have been made, and then the declaration would have been made at an adjourned Court after the investigation had taken place, and the person who had demanded the investigation would have had immediately after the declaration to have demanded a scrutiny. Mr. Whelan will have much to learn before he will be able to interpret acts of Parliament in cases of difficulty.

ROYAL AGRICULTURAL SOCIETY.

COMMITTEE MEETING, 20TH JULY, 1853.

Present,

Charles Hazard, Esq., President.
Hon. D. Brenan, Hon. W. Swabey,
Thomas Pethick, Esq., John Lyall, Esq.,
Hon. S. Rice, Mr. H. Longworth,
James Miller, Esq.

The Secretary laid before the Board a statement of the amount expended in purchase and importation of Stud Horses.

Also, account of sale of same, as follows, in Queen's County:—

One Cart Stallion, to Mr. Johne Thorn for £163.

One blood do. to Mr. Neil M'Innis, for £85.

In King's County, one cart Stallion to Messrs. Joseph Dingwell and Wm. Underhay, for £134.

In Prince County, one cart Stallion to Mr. B. Darby for £131.

Ordered, That the sum of £50 be paid to Mr. John Thorne, for his services in proceeding to England, for the purpose of purchasing the Horses, and his attention to them on the passage out.

Ordered, That the Cattle Show for Queen's County, be held this year, on the 14th September, and that the owners of Horses intended to be exhibited that day, in competition for the premiums offered by the Society, must enter their names with the Secretary on the Saturday previous, naming the class in which they intend to compete, and that none will be allowed to compete unless so entered.

Heifers in calf or giving milk, if under three years old, not to be allowed from competition.

The Ploughing Match for Queen's County, to be held this year in some convenient place, on the South side of the Hillsborough.

The cattle Show for Prince County to be held at Saint Eleanors, and for King's County at Finlay's Cross Roads; the days for holding the same to be fixed by the Commissioner in the District—also, the day for holding the Ploughing Matches in said Counties.

Ordered, That arrangements be made for the importation from England, this fall, of nine Leicester Rams.

The Committee adjourned until Wednesday next, the 27th instant.

By Order,
CHARLES STEWART, Sec'y.
Committee Room, 20th July, 1853.

The annual meeting of the Prince County Branch of the Royal Agricultural Society, was held in the Court House, Saint Eleanor's, on Saturday the 16th day of July 1853—when the following Report was received—and office bearers appointed.

REPORT:

Your Committee have to state, that in consequence of the late Secretary & Treasurer, having resigned the office of Lane, and no other having been appointed by the Government before the first of August, that no inspection of the crops for last year took place—notwithstanding, your Committee can, with confidence assert, that, with the blessing of God, the exertions of the Society, and the spirit of competition it has put in action—that much, above an average crop of all the cereals has been the result.

The Swedish Turnips—we are sorry to say—were not so good a crop as the previous year, though great exertions were in the part of the cultivators were put forth. Your Committee recommend, that the valuable "Hint" given by their respected friend Judge Peters, be now *adhered to*, that is, "*Hoe and hoe again if an acre.*" Still, it would appear, from the sales of turnip seeds this present year, that cultivators are nothing daunted.

The potatoe crop was superior to any we have had since the Society came into existence, or indeed since commencement of the disease, which we trust in the Almighty, dispensator of all good, is rapidly disappearing from that valuable root.

The failure of Hay was much complained of last season. Let every one be prepared in spring, wherein stock turned out in better condition, than last, this we attribute to the mild winter, and attention being more generally given to your Society's information respecting "Housing of Stock."

The Stock brought forward, at our Cattle Show to compete, is evidence of the benefits the Society is conferring—the Committee—giving ample demonstration of what is to be derived from the imported breeds.

Your Committee do with pleasure, note the attention that is now paid to the collection and preservation of manures throughout the District. That from your example and the encouragement given by the R. A. Society—this agent is now beginning to be more carefully looked after, even, by the most improvident.

In referring to the sale of Grass Seeds—we find, as last year, that but a small quantity of Cow Grass has been sold, compared with the White Dutch and Red Clover. This may be attributed to its higher price; we however, with pleasure state, that the sale of grass seeds has been greater than in previous years.

In conclusion, your Committee congratulate the Society, on the state of funds which has been shown in balance sheet. Also, on the increase of Subscribers, and, compared with that *punctuality* of their subscriptions being paid up, which shews thus—

Subscription's paid—1851	£13	13s.	0d.
Do. Do. 1852	23	0	6

The Report being read, a vote of thanks was unanimously passed to the President, William Hazard, Esq., and other officers of the past year, for their indefatigable and successful exertions during their service.

Resolved, That the Report submitted, be adopted and published.

The nomination of Officers for the current year than took place, when the following gentlemen were appointed:—

Mr. Benjamin Darby, President,
Mr. Benjamin Bearisto, Vice President.

COMMITTEE.

Mr. John Adams, William Bearisto,
Saturer and member of the Executive Council, and this for the simple reason, that the honorable gentleman has since thought fit to resign. We believe he was never sworn into the office of Treasurer, though he has taken his seat at the Council Board. We do not in the least doubt, but that Mr. McGowan has acted from the best and purest motives.

☞ The Wesleyan Academy, Sackville, N.B. will re-open on Thursday, the 4th August, next.

☞ The proceedings of the British Temperance Alliance, have been unavoidably omitted until our next issue.

Twelvetrees Brothers' Soap Powder

IS the cheapest, safest, best, and most effectual article for all washing purposes, a packet of which is equal to ten Pennyworth of Soap!

The washing of a family of ten, is now astonishingly great, that a WEEK'S WASH can be accomplished BEFORE BREAKFAST—no rubbing being required.

This powder is much more SERVICEABLE THAN SOAP, as it produces a better and much quicker lather, and is adapted for purposes for which Soap cannot be safely or effectually used.

It will not injure the hands, or the most delicate material; but whilst it is incomparable for permanently whitening Linens, &c., after they have become discoloured by age, or injured by bad Washing, it is also unsurpassable for improving the colors of FLANNELS, BLANKETS, WOOLLENS, COLORED PRINTS, MUSLIN and LACE.

CURTIS & PERKINS,

WONDER OF THE WORLD.

Great Cured of five years standing.

Messrs. Curtis & Perkins, Druggists, Bangor, Me.

Gentlemen,—I have been entirely cured of the Gravel, by the use of your *Cramp and Pain Killer*. I commenced using your Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered very much, so that I could not exercise.

During this time, I have had medical aid, and tried various spe cifics, but found very little relief until I obtained your Cramp and Pain Killer. In one month after I commenced using it, I began to grow better. I continued to use it for a year, all the time improving until I was entirely cured.

MILES STAPLES.

Prospect. Me., Jan. 29, 1851.

We, the undersigned, are well acquainted with the above case, and certify to the above statement of facts.

CHARLES LIPTON,
HANNAH CLIFFORD,
STANTON ELLIS.

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March 20, 1847:

"Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I overused."

The Doctor first made use of it in his own case, for a severe sprain in the ankle, which was caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

Read the following. It speaks for itself.

RHEUMATISM CURED.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me so that I could not get up without the greatest pain and effort; nor could I walk without a cane, and but very little with. I applied Doctor Johnson's Anodyne Liniment, or Liquid Opodeldoc, and several other remedies, without any relief. After laboring in this way about a week, I purchased a bottle of Curtis & Perkins' *Cramp and Pain Killer*, prepared by CURTIS & PERKINS, Bangor, and after *three applications* was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a lame side, with the same bottle. I believe it the best medicine in the world, and am happy to add my testimony in its favor

OLIVER TOBY.

N. B.—Be sure and call for CURTIS & PERKINS' Cramp Pain Killer. All others bearing this name are worthless.

Price 25 cents per bottle. For Sale by
