PEA VINES

The death occurred at her home in New Glasgow, P.E.I., on Friday, May 4, 1962 of Mrs. J. Lorenzo Stevenson, in her 87th year. Despite her advanced years Mrs. Stevenson enjoyed good health until two years prior to her death. During this time she was tenderly cared for by her daughter-in-law (Louise), and son Harold. Throughout her illness she remained conscious and retained a keen interest in family and friends.

The late Mrs. Stevenson was the daughter of George and Mary Stevenson of New Glasgow. Born at New Glasgow, Feb. 2nd, 1866 she was the second youngest of fourteen children, all of whom predeceased her. At the age of thirteen she confessed her faith in Christ and remained a member of the New Glasgow Christian Church throughout her life.

Her faith and quiet confidence in God were an inspiration to all who knew her.

In 1886 she married John Lorenzo Stevenson, who passed away in 1923. Fourteen children were born of this union. Two Louis and Maggie passed away in childhood. Ellmore in 1940. The following are left to mourn her passing, seven sons. George William and Harvey of Fort Saskatchewan, Burton of Sask., Miller of B.C. Lorne and Harold in New Glasgow, four daughters Zilla, Mrs. Roy Mills of Hunter River, Musa, Mrs. Gordon Bryenton of Fort William, Ont., Erma, Mrs. Frank Steeves of Houlton, Maine and Nettie, Mrs. Michael Sweeney, Woonsocket, R.I. Also twenty-three grandchildren and twenty-four great grandchildren.

The funeral service, under the direction of Lester E. Andrews, Hunter River, was conducted by Merle W. Zimmerman. Hymns sung were, "Jesus Saviour Pilot Me," and "Abide With Me."

Mrs. Zimmerman rendered beautifully a solo, "In The Garden."

Pallbearers were: Foster Sellar, Earl Houston, Eric Stevenson, Herbert Stevenson, Kenneth Stevenson and John Steeves. Flowerbearers were: Lloyd Houston, Edward McDonald, Roy Dickieson, Howard Ling and Orville Smith. Interment in the New Glasgow Cemetery.

CARD OF THANKS

The family of the late Mrs. J. Lorenzo Stevenson wish to express their sincere thanks to Dr. Carl Brown, Mr. and Mrs. Zimmerman, and to all the friends and relatives for the many acts of kindness, messages of sympathy, and floral tributes received during our recent bereavement.

COUNCIL TO MEET

TORONTO (CP) — The National Productivity Council is to hold a one-day meeting here June 27, to discuss work study as a means of increasing Canada's economic productivity. Speakers will include R. M. Currie, a director of Britain's Imperial Chemical Industries, and Ontario economics and energy resources minister R. W. Macaulay.

ATTENTION LAMB PRODUCERS

For the past four years buck lambs have been discounted $1.00 per head, and lambs with long tails 50c per head. It is the intention to continue these regulations and they will be in effect again this year beginning August 1, 1962.

A marked improvement has been noted in the quality of lambs marketed over the last two years and it is the opinion that these regulations had a lot to do with this improvement.

The continued cooperation of lamb buyers and producers is requested in the improvement of lamb quality.

CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of nine per cent in terms of Canadian funds, unchanged from Wednesday's close
Pound sterling closed at $3.06¼, unchanged.

NEW YORK

NEW YORK (AP) — Buffeted by two waves of discouraged selling, the stock market sank anew Thursday to new lows for the year.

Blue chips as well as the more flighty "growth" stocks suffered a broad retreat. It was just another episode in the steep market decline of 1962, accompanied by no fresh news of any importance, brokers said.

Many had decided that the failure of the market to rally this week, after its strong performance of last Friday, generated further pessimism about the outlook. This caused traders and investors to unload, they said.

The Dow Jones industrial average sank 12.59 to 550.49, its lowest point since Oct. 26, 1958 when it stood at 549.15.

The Associated Press average of 60 stocks dropped 4.00 to 290.90, its lowest reading since Oct. 26, 1960.

Standard and Poor's 500-stock index declined 1 19 to 53.59.

The size of some of the blocks of leading industrials and utilities reflected the fact that large investors were among the sellers Thursday.

At noon, estimated $5,800,000,000 was clipped from the quoted value of stocks listed on the New York Stock Exchange, base on the full to the AP average.

Volume swelled to 4,560,000 shares from 3,360,000 Wednesday.

International Nickel fell 2 and among other Canadian issues, Walker - Gooderham was down 2¾ and McIntyre Porcupine 1¾. Granby Mining fell ⅝ and Distillers Seagrams and Hudson Bay Mining ½.

Prices staged a general retreat on the American Stock Exchange. Sonotr Rainbow Oil and Canadian Marconi were down ⅝. Jupiter Corp., Brazilian Traction and Shawinigan were off ¼.

Total sales: Industrials 194,600, mines and oils 282,400.

TORONTO

TORONTO (CP) — The stock market took its worst battering of the week so far during light trading Thursday.

Industrials suffered their second steepest setback since the index was introduced in 1934—a slumping 12.69 to 522.27, their lowest level since December, 1960, when the index touched 495.63. The only greater industrial drop came May 28 when the index fell 16.31.

Base metals also took a beating, falling more than three points to their lowest index level in 14 months.

Banks again spearheaded the industrial decline. All five listed issues—Montreal, Nova Scotia, Royal, Toronto-Dominion, Canadian Imperial Bank of Commerce—closed at or near their lowest prices this year. Losses in the group ranged to 2¾.

Other issues touching 1962 lows included Algoma Steel, off 1¼, Interprovincial Pipe Line, off 1¼, Imperial Oil and Steel Company of Canada, both down 1¼, and Walker — Gooderham, down three points.

On the exchange index golds fell .08 to 100.41 and western oils 2.93 at 92.71. Base metals dropped 1.14 to 179.92, their lowest since April, 1961. Closing volume was 2,628,000 shares compared with 2,268,000 Wednesday.

Among base metals, International Nickel declined 1½ to 62 after earlier going as low as 61⅞—poorest price this year. Falconbridge and Consolidated Mining and Smelting both closed at 1962 lows, off 1¼ and ½ respectively.

In the speculative market, Jacobus was again the feature attraction. The stock climbed to $1.00, dipped to 70 cents and closed at 81 cents for a loss of two cents on the day It plunged through almost 500,000 shares.
