NEW YORK

NEW YORK (AP)—The worst wave of emotional selling since the Kennedy assassination engulfed the stock market Wednesday but prices rebounded vigorously on the strong stand taken by President Johnson in the Viet Nam crisis.

When the final bell had sounded on the New York Stock Exchange, losers still outnumbered gainers but a big recovery by the outstanding issues on the big board produced gains for some important market indicators.

The Dow Jones industrial average closed with a small advance of .28 at 833.05.

The Associated Press average of 60 stocks registered a sharp loss and ended with a minor decline of .3 at 315.5.

Of 1,863 issues traded, 643 fell and 468 rose.

Volume rose to 6,310,000 shares from 4,790,000 Tuesday and was the heaviest since April 28, when 6,690,000 changed hands.

WERE SHARPLY LOWER

At the opening, many leading stocks were delayed by a pileup of selling orders and big blocks. General Motors sank 1⅝, Pennsylvania Railroad 1 and Chrysler ¾. Down about 2 each were such issues as IBM, A.S. Smelting, while Du Pont polaroid, Southern Railway and U.S. Smelting, while Du Pont was off about 3.

By the end, however, GM was up ½, Pennsylvania Railroad off ¼, Chrysler up ⅝, IBM up 6¾, Polaroid up ⅝, Southern Railway up ½, U.S. Smelting up ¼ and du Pont off 1½.

Aerospace defence stocks produced the strongest group performance in response to the tough Viet Nam military stand taken by the United States.

Chrysler was the most active issue, closing at 51 on 187,200 shares. American Telephone was second, unchanged at 70⅞ on 126,300 shares. Third was General Dynamics, closing at 32½ on 106,600 shares.
