TORONTO

TORONTO (CP)—Led by a strong banking group, industrials closed firmly ahead in active trading on the stock market Tuesday.

Brokers hedged on buying commitments most of the day but entered the market in late afternoon. Profit-taking, noted earlier, disappeared in all but a few issues and prices surged ahead under moderate buying.

Bank of Montreal leading financial group ahead with a gain of 1½. Imperial Bank of Commerce climbed 1⅞, Nova Scotia one point, Royal ⅞ and Toronto-Dominion ¾.

Other strong gains included Algoma Steel and Guaranty Trust both up ¾, Canadian Celanese, one point, and Walker Goederham ⅝.

MOTORS DOWN

Motors was the weakest group with Ford of Canada off three points to 19¼. U.S. Ford down ¾ and General Motors ⅛.

On index, industrials gained 1.53 to a 1963 high of 626.52, less than three points away from its 1962 all-time high of 629.06. Golds gained .26 to 88.95, base metals 1.00 to a 1963 high of 213.83 and western oils .01 to 193.41. The final volume was 2,965,000 shares compared with 2,176,000 Monday.

Hudson Bay Mining was best of the senior metals with a gain of ⅜. Faleonbridge, International Nickel and Denison all rose ⅛. Noranda dropped ⅜.

Western oils were quiet throughout the day and the changes were confined to fractions. Canadian Pacific Petroleum each gained ⅜ and Hudson's Bay Oil ⅛.
