DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto: Market easier in moderate trading.

New York: Market mixed; selected issues improve.

Montreal: Market mixed in moderate trading.

CURRENCIES

MONTREAL (CP) — The U.S. dollar closed Monday at a discount of 1⅞ per cent in terms of Canadian funds, unchanged. Pound sterling $2.76 5-16, up ⅛.

TORONTO

TORONTO (CP) — Stock market prices drifted lower Monday in the slowest trading in nearly two weeks.

Western oils, quiet and virtually unchanged for most of the session, tripped at the close and had an index-loss of more than three-quarters of a point.

Base metals improved slightly in the final half - hour but they still had an index-decline of one-half point. Golds were a few decimal points higher, mainly because of a 2½-point rise to 75 by McIntyre.

Campbell Red Lake suffered a 45-cent loss to $6.05 to take some of the lustre off McIntyre's gain among golds. Other low - prices mines, including several uraniums, lost ground as short-term investors cashed in profits from last week's upward spurt.

Western oils dipped lower near the close. Consolidated West Pete held an early rise of 35 cents at $6.35 to buck the general trend.

Index changes: golds up .08 to 76.84; base metals off .49 to 148.16; western oils off .82 to 133.67.

NEW YORK

NEW YORK (AP)—The suicide of Robert R. Young, board chairman of New York Central and Alleghany Corp., was the dominating factor in the stock market Monday but the market withstood the development well.

New York Central, though heavily traded, closed unchanged.

Alleghany stock advanced on news of a favorable decision by the U.S. Supreme Court.

The market as a whole was mixed. Although the average of leading stocks was down a bit, there was virtually an even division between gainers and losers.

Except for a new sepcial situations, the gains and losses of key stocks were generally within a 1-point range.

Central opened at 15⅜, off ⅛, on 12,000 shares. In later trades it eased a bit more, then recovered.

Alleghany was spurred by a Supreme Court order reversing a lower court decision which blocked a long-delayed plan to issue new six per cent preferred stock. The new stock was part of a program to eliminate Alleghany's dividend arrears accumulated on its 5½ per cent preferred.

Alleghany common was the most active stock of the day, up ¾ at 5¼ on 80,000 shares. The 5½ per cent preferred jumped 5 to 210. Alleghany prior preferred rose 8⅛ to 89⅛. Backing away from its best gain of more than 10.

Airlines spurted ahead on news that the civil aeronautics board had offered a temporary fare increase. Leading rails moved ahead a bit on average after the Central weathered the news about Young but Canadian Pacific was off ⅛.

Other Canadian issues besides CPR declined. Aluminium Ltd. skidded ⅞ to close at 28½ and Distillers - Seagrams was off ⅜. Hudson Bay Mining was down ¼. McIntyre Porcupine continued its rapid rise, closing at 77, up 1. International Nickel recovered from a shaky start for a gain of ¼. In the mines, Granby and Dome made slight advances.

The Associated Press average of 60 stocks fell 50 cents to $161.50 with industrials down $1.20, rails up 30 cents and utilities unchanged

Canadian stocks on the American exchange recorded only slight changes. Brazilian Traction, Molybdenite, Preston East Dome, Jupiter Oils and Richwell all lost some ground. Eureka and Fargo Oils made fractional advances.

TO LIVE BETTER . . . *ELECTRICALLY*
BE SURE THERE'S
FULL *HOUSEPOWER*

Here's a tip that will save you money!

Before you close the deal on your new home, ask the builder or realtor about the electrical features. Insist on a wiring system with at least 12 electrical circuits and 100-ampere service. Look for the Red Seal of Adequate Wiring on the electric service panel. Demand only Canadian built, CSA approved equipment and appliances.

This way you assure your family of the comfort and convenience of modern electrical living. With full HOUSEPOWER you can benefit from the 70 or more labour-saving electrical appliances now available. You can enjoy efficient and decorative lighting, have power-a-plenty for your home workshop. With full HOUSEPOWER your home wiring can accommodate the electrical servants you now have, plus those you will install in the future.

Demand all-electric service in your next home. Remember, electrical living is modern living . . . economical and comfortable living. Electricity is fast, always clean, quiet and dependable.

The comforts and conveniences of full HOUSEPOWER can easily be added to your present home. You can enjoy modern electrical living and you'll be surprised how little it costs.

When you buy, build or modernize . . . insist on full HOUSEPOWER and Live Better—Electrically!

HERE'S WHAT TO DO
- Call a qualified electrical contractor. Check below or in the Yellow Pages for the name of a contractor near you.
- Call the consumer service department of your electrical utility.
- Send for "Facts About Electric Wiring for the Home" obtainable FREE from your Electric Service League.
