CURRENCIES

MONTREAL (CP)—The U.S. dollar in terms of Canadian funds was unchanged at $1.07 29-32. Pound sterling was unchanged at $3.01¼.

NEW YORK

NEW YORK (AP) — Profits were taken on a broad front Thursday as the stock market declined in moderate trading. Popular market averages slid from historic peaks.

The retreat was de-emphasized by a drop in volume to 4,420,000 shares from Wednesday's 6,070,000.

The recent advance to new peaks in some market averages was a labored affair, with many stocks declining than advancing. Losses on Thursday outnumbered gainers by nearly 2 to 1 and the over-all market and the averages were in gear.

The Dow Jones industrial average fell 3.35 to 763.86.

Some Wall Streeters theorized that much of the profit-taking was in anticipation of post - Christmas selling when gains for 1963 can be recorded for 1964 when taxes are expected to be smaller.

MIXED NEWS

At the same time, Wall Street had to contend with mixed economic news. This included November declines in housing start) and factory orders for durable goods. Personal income, however, rose to a record in November. Retail sales are higher and for December are predicted to top last year's peak.

The Associated Press average of 60 stocks declined 1.1 to 285.7.

It was the largest decline since Nov. 22 when the average plunged 7.2 on news of President Kennedy's assassination.

An estimated $1,600,000,000 was clipped from the quoted value of stocks listed on the New York Stock Exchange, based on the fall in the AP average.

SPERRY RAND ACTIVE

Sperry Rand was the most active stock for the second straight session, touching a new high as it rose ⅞ to 21¾ on 150,800 shares. Second was Xerox when-issued, down 2¼ at 80½ on 65,400 shares. Third was Chrysler, off 1⅞ at 90 on 58,000 shares.

Next came U.S. Steel, off 1¼ at 53⅞, and Chrysler when-issued, off ¼ at 45¼.

Coca Cola gained 3¼, International Harvester 1, High Voltage Engineering 1¼, Texaco ¼.

Among Canadian issues traded, Granby Mining gained ⅝, Canadian Pacific ¼ and International Nickel and McIntyre Porcupine ¼. Distillers Seagrams fell ⅜ and Aluminium Ltd. ¼.

Prices declined irregularly on the American Exchange. Canadian issues were generally mixed with Brazilian Traction, Canadian Marconi and Jupiter gaining ¼ and Canadian Javelin, Preston and Scurry Rainbow Oil losing ¼. Molybdenite fell 1-16.
