HALIFAX (CP) — The United States navy's submarine - killer force Alfa, led by the aircraft carrier Valley Forge, sailed for manoeuvres in the Atlantic Thursday after paying a six-day call here.

The force is made up of the carrier and its escorts of seven destroyers and two submarines manned by 4,000 officers and men.

Aboard the carrier when it sailed from fogged-over Halifax harbor were five cadets of the Canadian University Naval Training Division. The cadets were David J. Johns, London, Ont.; Aubrey J. Mallard, Dundas, Ont.; A. J. H. MacIntosh, Halifax; Andre Thivierge, Quebec City and Wallace S. Turnbull, Rothesay, N.B.

They will train with midshipmen of the U.S. naval officer reserve training corps aboard the carrier.

The cadets will debark when the carrier arrives Aug. 13 at Norfolk, Va., and return here by air to continue summer training.

NEW YORK

NEW YORK (AP)—The stock market continued to give ground Friday as trading dwindled to the slowest pace in more than a month.

Steels, rails and motors paced the downtrend. Other losing groups were rubbers, utilities and farm implements.

Typical pre - weekend caution was added to growing concern over how long the steel strike would last. This resulted in a drying-up of bids rather than any great build-up of selling pressure.

Turn-over shrank to 2,510,000 shares from 3,170,000 Thursday and was the smallest since June 19 when 2,260,000 shares were traded.

The Associated Press average of 60 stocks fell 70 cents to $230.40.

Fairbanks Whitney was the most active stock, off ⅞ at 9⅞ on 51,100 shares.

Most of the leading steels took fractional losses. Republic Steel dipped 1¾.

Among the Canadians, Aluminium Ltd. and Walker Gooderham lost ⅞ each. Dome Mines and Hudson Bay Mining rose ¼ each, Distillers Seagrams ⅝ and International Nickel ⅜.

Prices on the American Stock Exchange were irregular on volume of 1,400,000 shares compared with 1,300,000 Thursday. Gainers included British Petroleum. Among Canadians, Fargo Oil and Scurry Rainbow Oil gained ⅛ each.
