Street Lights Will Be Restored Now That Most Rural Homes Have Power

Plans for the restoration of street lighting in Summerside will be proceeded with as quickly as possible, it was learned at a meeting of the Summerside Town Council Monday evening presided over by Mayor W.A. Currie with all councillors present.

Coun. H.E. Clark, chairman of the Electric ight Department said that although plans for restoring street lighting had been given attention for some time, it was felt that this work should no be residents had power restored to done he said, with a few exceptproceeded wih until out-oft-own their homes. This has now been ions.

Coun. Clark said the park demand for electricity at the light plant is just as high as last year although there are 72 less customers. It is felt that the peak load in December will not be any higher than last December. The peak demand couldn't be ascertained until the Stadium, Curling Rink, etc., had closed for the season.

ASSESSORS

Coun. J.L. MacDougall, chairman of the Assessment and Finance Committee said that the Town assessors had been working for the past three weeks and will have the West Ward completed in a couple of days. Soon they will commence in the East Ward. He said that an assessor from Charlottetown assessed the properties of the Summerside mayor and councillors, applying the Charlotteotwn system. He said that had proved beneficial to the Council and would possibly open up a greater field of revenue to the Town. Coun. MacDougall concluded "I hope I will be able to announce a nominal increase in taxes."

Coun. Lidstone, chairman of Property, Parks and Schools Committee stated that 15 trees had been removed from Memorial Park, having been destroyed by the January ice storm and it is hoped to eventually replace them. Three men from the Forestry Department are working in conjunction with the Town.

Property owners must carry away the limbs of the trees, except where the trees are located on the edge of the street and in these cases town employees will remove them. At this point Mayor Currie stated that the services of the three employees from the Forestry deparment are free to the town.

Coun. Lidstone also read a letter from the S.A.A.A. asking permission to operate the Civic Stadium for another week or two, although the Town had planned to close its doors as of last weekend. He said permission had been granted the S.A.A.A. whose profit, if any, will go to defray expenses of their minor hockey league program. The Town and the S.A.A.A. will split the gross.

Coun. Jenkins, chairman of Police, Fire and Abattoir reported that a new floor had been installed in the abattoir and that the cement walls have been gone over and some painting is to be done. Coun. Jenkins said that if it is ever decided to move the abatoir to a new location, all that would be necessary is to lay a foundation at the new site as all the present equipment can be moved as is. Coun. Jenkins said the road to the dump is currently impassable, necessitating opening the dump at Water St. West.

STREETS

Coun. Perry reporting as chairman of the Streets Committee said a lot of gravel had been hauled last year and it had done a lot of good. He said a couple of streets need to be re-paved in part, referring to Central St. (between Beaver and North Central) and Beaver St. (in front of the new school). Coun. Perry said the cost of snow removal up to the end of February was $2,099.65.

Coun. Cannon, chairman of the Water and Sewerage committee said he inspected all the water pumps and found them in good condition and producing about 11,000 gallons per minute when all are in operation. The mystery of the air compressor, which had been discussed at the last meeting was cleared up, as Coun. Cannon said it had been located in the Harvard St. pumping station. He said it is a small unit and he had overlooked it before.

RESOLUTIONS

Resolutions approved were for the purchase of an air horn alarm system to be installed at a cost of approximately $3,000.00; the purchasing of firemens coats, rubber boots and rubber mitts for personnel of the Fire Department and for the selling of steam pumps and boilers which have been replaced.

Coun. MacDougall objected to a portion of the minutes of a special meeting held March 23. He said he received notices of two meetings in one letter and believed both meetings were scheduled for 7.30 On arriving at the library for the Council meeting at 7.28 he said he found that the meeting had ended, having started at seven, which actually was the time of Coun. MacDougall's notice, but which he had presumed was the same as the other time on the notice, which was 7.30. He questioned how Post Office Building tenders could have been opened, considered and decided on in 28 minutes and said he would have objected to the specifications had he been present.

Correspondence was read from the Irving Oil Company regarding the proposed bulk storage plant but this matter was held over for further consideration. Also a letter from a Naval veteran requesting permission to set up a canteen on Notre Dame Street. It was agreed to leave this to the committees concerned. The next Council meeting may be broadcast over CJRW.

WESTERN GUARDIAN

DANCE IN O'LEARY Parish Hall Wed., April 11th. Music by Western Ramblers.

STATION wagon leaving Summerside daily for Charlottetown Dial 2822 for information and reservations.

HISTORIC COUNTY

Norfolk county in western Ontario was created in 1792, settled by United Empire Loyalists.

WESTERN OAK

The Oregon white oak tree, one of many oak species in Canada, is found only in British Columbia.

EXTENSION OF TIME

NOTICE is hereby given that the time for the reception of tenders for HARBOUR IMPROVEMENTS AT CLARK'S HARBOUR N.S.", is extended to 3.00 p.m. (E.S.T.), WEDNESDAY, APRIL 18, 1956.

ROBERT FORTIER,
Chief of Administrative Services and Secretary.
Department of Public Works,
Ottawa, March 29, 1956

SEALED TENDERS addressed to the undersigned and endorsed "TENDER FOR WHARF REPAIRS, PORT MEDWAY, QUEEN'S COUNTY, N.S., will be received in the office of the Secretary, until 3.00 p.m. (E.D.S.T.), WEDNESDAY, MAY 2, 1956.

Plans and specification can be seen and forms of tender obtained at the office of the Chief Engineer, Department of Public Work Ottawa, Ontario, at the office of the District Engineer, Public Building Bedford Row, Halifax, N.S., and at the Post Offices at Port Medway, Liverpool, Lunenburg and Bridgewater, N.S.

To be considered each tender must be accompanied by a security in the form of a certified cheque or Bonds as specified in the form of tender and made on or according to these forms and in accordance with the conditions set forth therein.

The Department, through the Chief Engineer's office (H. and R.), or through the undersigned, or through the office of the District Engineer at Halifax, N.S., will supply blue-prints and specification of the work on deposit of a sum of $20.00 in the form of a CERTIFIED bank cheque or money order payable to the order of the RECEIVER GENERAL OF CANADA. The deposit will be released on return of the blue-prints and specification in good condition within a month from the date of reception of tenders. If not returned within that period the deposit will be forfeited.

The lowest or any tender not necessarily accepted.

ROBERT FORTIER,
Chief of Administrative Services and Secretary
Department of Public Works,
Ottawa, March 28, 1956.

Montreal Stocks

MONTREAL (CP) — Industrial prices were mixed to narrowly higher at the close of active trading Monday on the Montreal and Canadian stock exchanges. Trading in the mining - western oil section established a record.

Price Brothers jumped 3½ points to a new high in the papers. Others in the group were mixed to slightly better. Canada Iron reached a new high with a point advance in a firm steel section.

Base metals softened as Aluminium and Asbestos Corporation each eased ½. Nova Scotia slipped a point as prices were lower in the banks.

Shawinigan gained a point in an otherwise easier utilities section. Canadan Vickers was a point better in the miscellaneous section.

Some gains were scattered throughout the penny mines, but most issues were a few cents easier. Montgary climbed 60 cents to establish a new high.

Industrial volume was 98,100 shares and mines 3,628,700.

The stock exchange's closing averages show banks off 0.05 at 56.99, utilities off 0.4 at 136.8, industrials up 2.6 at 329.9, combined up 1.6 at 265.5, papers up 13.49 at 1593.72 and golds up 0.84 at 87.85.

N. Y. Stocks

NEW YORK (AP) — The stock market beat a fast retreat Monday in the closing minutes of trading. The market was higher at the start but some 30 minutes before the close, prices began to soften and rapidly turned lower all around.

There was no specific news item that tipped the market lower. There was, nevertheless, a lot of bearish background in world affairs that generated caution in Wall street. The touchy Middle East situation was uppermost in the minds of all. Any unexpected change there could lead to a price shakeout, brokers felt.

The Associated Press average of 60 stocks dropped back 90 cents at $190.60. It stood at a record high level last Friday. The industrial component Monday was off $1.60, railroads fell 70 cents and utilities backed down 10 cents.

Volume came to 2,760,000 shares as compared with 2,600,000 Friday.

Losing stocks included Alcoa 2 at 114¼, Kaiser Aluminum 1 at 45⅞, Union Carbide 2 at 128¾, Du Pont 3 at 232.

Canadian issues on the New York exchange were mixed. Aluminium Ltd. fell , Canadian Pacific lost ½, Granby Mining slipped and International Nickel fell ⅛. Distillers Seagram was up ¼.

On the American exchange, also, Canadian issues were mixed. Shawinigan gained ⅞ and Jupiter Oil was up 3-16. Brazilian Traction and Preston East Dome both lost ⅛ while Molybdenite and Sapphire Petroleums both dropped 1-16.

Sleigh And Patient Cross Water-Covered Ice Monday

Mrs. John Thomas of Lennox Island was taken to Stewart Memorial Hospital Monday afternoon suffering from a severe stomach ulcer which required immediate medical attention.

Due to the dangerous condition of the ice which separtes the island from the mainland it was deemed unsafe to cross and a call was sent in to RCAF Station Summerside, by the Indian Agent, Mr. Fred Purser, requesting that a helicopter be sent to take the sick woman from the island.

Group Captain W.H. Swetman, commanding Officer RCAF Station, Summerside, immediately contacted Search and Rescue Headquarters in Halifax and a Helicopter was at once dispatched. It was, however, forced down at Parrsboro, N.S. due to bad flying conditions.

Mr. Purser realizing that the ship would not be able to make the trip until today at the earlist, decided to bring the patient across by horse and sleigh. Alhough a good 12 in. of water covered the ice the dangerous trip was accomplished and the patient transferred to Mr. Purser's car and driven to Tyne Valley Hospital.

A tractor was kept standing by all the time in case the car became bogged down due to the almost inpassable roads in many places. S.

ALBERTON

Mrs. Michael A'Hearn and son, Bobby, of Alberton, are spending the weekend with relatives in Charlottetown.

Mrs. L.B. Leard, Alberton, is a patient in the Prince County Hospital.

Dr. W.R. Dyer of Rye, N.Y., who has been spending the winter months with his sisters in Alberton, left yesterday on a short trip abroad.

Teddy and Jimmy Corbett, Summerside, have been spending the holiday week with their grandparents, Mr. and Mrs. H.D. Corbett, Alberton.

Mrs. Chester LePage, who has been with her sister, Mrs. Lester E. Profit of Rosebank, has returned to her home in Cascumpec.

Mrs. Arthur Clark, Alberton, who has been a patient in the Western Hospital, returned on Thursday to her home.

Mr. Eldon Barbour of Montrose, accompanied by his parents, Mr. and Mrs. Harry Barbour of Alma, attended the funeral on Wednesday of Mr. Lester Gay, Knutsford.

Mr. and Mrs. Heber Ramsay left Alberton on Thursday to visit relatives in Trenton, Ontario. They were accompanied by Mr. and Mrs. Kenneth Gordon, Montrose.

Mr. Reagh Ellis and Mr. Carter Vanderstine, of the Bank of Commerce staff at Alberton, spent the weekend at their homes in Souris and Montague.

At the semi-monthly meeting of Regalette Rebekah Lodge Thursday evening, plans were begun for the annual West Prince flower show which is sponsored by the lodge each autumn. The committee in charge of arrangements for this year is comprised of Sisters Margaret Forsyth, Shirley McArthur, Nettie Hardy, Jean Wilkie, Betty Hardy, Dorothy Travers, Gladys Barbour, Elizabeth Bell, Joyce Johnston, Margaret Weeks and Helen Kerr. Plans were made for a food sale to be held in the library next Saturday afternoon. The evening's program was in charge of Sisters Gertrude Matthews and Shirley McArthur.

Mrs. G.H. Hardy, Alberton, has been visiting her sister, Mrs. Ernest Harris of Summerside the past week.

Her friends extend congratulations and good wishes to Mrs. James Forsyth of Alberton, who quietly celebrated her eighty-eighth birthday on Sunday.

Mrs. David Campbell, Alberton, is visiting her son-in-law, and daughter, Mr. and Mrs. Carl Crockett, Summerside.

Mr. and Mrs. Leigh Morrell, Alberton, visited relatives in Fredericton during the weekend.

KENSINGTON

Miss Judy Clark, younger daughter of Mr. and Mrs. Wyman Clark, Malpeque, underwent a tonsil operation in the Prince County Hospital on Friday, March 23rd.

Mrs. W.H. Burns was a visitor to Summerside on Friday.

Mrs. Arthur Cousins is much improved following her recent illness.

The March meeting of the Malpeque and Baltic Womens Missionary Society met for their monthly meeting on Thursday evening, Mar. 22nd. at the home of Mrs. Bruce Riley with the president, Mrs. William Burns presiding. After the regular routine of business, a social hour followed. Lunch was served by the hostess, assisted by Mrs. Lorne Silliker and Mrs. Robert Wall. Next meeting to be at the home of Mrs. William Burns.

On Tuesday evening March 20th., the Malpeque Hall was almost filled to capacity when a variety concert was sponsored by the Malpeque Womens Institute. Mr. Keith Donald acted as chairman.

On Wednesday evening, March 21st., relatives, friends and neighbors, assembled at the home of Mr. and Mrs. Keith Donald, Malpeque, where a miscelleanous shower was given honor of their son, Mr. John Donald and Mrs. Donald of Hamilton, Ontario, who have been visiting in Malpeque. After all had gathered Mr. Charles Lockhart acted as chairman and called upon Mrs. Sydney McGougan to read an address while the honored guest were presented with a reversible blanket, luncheon set, salad bowls and a purse of money. Mr. Donald on behalf of himself and his wife expressed their appreciation, after which all joined in singing "For They are Jolly Good Fellows. A delicious lunch was served and a social hour followed by all joining in a hearty sing song with Mrs. Dugald MacNutt as pianist.

Mrs. Bruce Crozier, Baltic, spent March 22nd. and 23rd. in Charlottetwon where she attended the Womens Institute District Officers Convention at the Y.M.C.A.

Mrs. Clark Caseley, Hamilton, has been visiting in Wilmot Valley, the guest of her brother, Mr. and Mrs. George Hogg and family.

Mr. George Crozier, Hamilton, is making a speedy recovery following an operation in the Prince County Hospital on Monday, March 19th.

Farm Forum Members Guests At L. Freetown

South Freetown Farm Forum were guests of the Lower Freetown Farm Forum on March 26. at the home of Mr. and Mrs. R. A. Proffitt. Mr. Lincoln Dewar, Provincial Secretary, was introduced by Mr. Proffitt. He gave a talk on the importance the Geneva wheat agreement has on our lives here in Canada and the important part Farm Forums has and is having in our communities. This was followed by a question period on local problems.

A recreation period followed with a contest led by Mrs. Walter Bernard. Mrs. Lewis Cairns showed some of her prize winning pictures of Island scenery (in a recent New York contest) on the screen.

Lunch was served by the ladies of the Forum. A vote of thanks was moved by Eldon Drummond secretary of South Freetown Forum which was followed by a lively discussion on the benefits of a Farm Forum in a community. After a lively sing-song with Mrs. Proffitt at the piano the meeting closed.
