Borden Nationals Win From Berwick

Defeat Last Year's Titlists In Overtime; Sudden-Death Fixture Is Keenly Contested

TRURO, N.S., March 28—(CP) — Borden Nationals, last year's runner-up in the Maritime intermediate hockey finals, downed the titleholders, Berwick Bruins, 7-6 in an overtime sudden-death match here tonight.

The teams were evenly matched, and after a seven-goal scoring spree in the first period settled down for an evenly-matched goal for goal struggle. MacLeod sank the winning goal one minute after the first overtime session got underway.

Lineups:

Berwick—Goal, Sanford; defence, Fiske, Smith; forwards, MacDonald, Ogilvie, Fagan, Fike, Ward, Bligh, Fodey.

Borden—Goal, Noonan; defence, Muttart, McWilliams, Jay; forwards Cutcliffe, McWilliams, McFadgen, Campbell, McInnis, MacLeod.

Referees — Hills, Schurman.

SUMMARY

First Period

1—Borden, Muttart (MacInnis) 1:45
2—Berwick, Fagan (Fike) 2:03
3—Borden, Cutcliffe (McWilliams) 5:03
4—Berwick, Bligh 5:03
5—Berwick, Fagan 7:12
6—Borden, McFaden (Cutcliffe) 11:02
7—Borden, Cutcliffe 16:55

Second Period

8—Berwick, Ward (Fiske) 5:58
9—Borden, Campbell 7:07
10—Berwick, MacDonald (Ward) 18:10

Third Period

11—Berwick, MacDonald (Fagan) 5:58
12—Borden, MacFadgen 9:40
Penalty — Muttart.

Overtime

13—Borden, MacLeod (Campbell) 1:07

Canadiens And Leafs Play At Montreal Tonight

TORONTO, March 28—(CP) — Montreal Canadiens and Toronto Maple Leafs have gone to Montreal for resumption tomorrow of their eight point Stanley Cup semi-final series but attention here still centres on last night's contest.

Leafs won that one 4-3 in overtime to take a 6-2 lead in the eight point series and need only one more victory to advance into the finals against Detroit Red Wings or Boston Bruins, tied 4-4 in the other semi-final.

Toronto fans say they will remember for a long time the stirring display of goaltending by Montreal's Bill Durnam 1944-45 Vezina trophy winner, who almost single handed stood off Leafs for 50 minutes of the game after his defence collapsed. And then there was Gus Bodnar's startling shot that caught the top righthand corner from a face-off in the Montreal zone, ending the game after 12 minutes of overtime.

No injuries were reported by either club following last night's contest.

Montreal Juniors Advance Step

OTTAWA, March 28 — (CP) — Montreal's fast-skating Royals eliminated Ottawa St. Patricks from the Memorial Cup chase with a 9-5 victory tonight, winning their best of three series two straight and the right to advance against the Maritime junior hockey representatives. Royals won the first game in Montreal 8-2 Monday.

U. N. B. Wins Hoop Opener

NEW WATERFORD, N.S., March 28—(CP) — University of New Brunswick, last year's Maritime champions, downed New Waterford Strands 51-41 here tonight in the first game of a two-game total-points series for the Maritime intermediate basketball title. Second game will be played here tomorrow night.

Quebec Aces Win Quebec Senior Title

MONTREAL, March 28 — (CP) — The Allan Cup holders Quebec Aces trounced Montreal Royals 7-3 here tonight to win the Quebec Senior Hockey League championship for the second consecutive year. Aces dropped the first game of the best-of-seven series for the Thomas O'Connell Memorial Trophy 6-0 to Royals in Montreal, but took the next four games to lead Royals 4-1.

Aces trailed Royals during the regular schedule but were strengthened for the playoffs by the addition of Neil Colville to their lineup. Colville, a former National Hockey League star with New York Rangers served as a substitute for Philipe Renaud whose army duties prevented him from playing while Royals were handicapped by the loss of Butch Stahan who was called by Montreal Canadiens to finish the series with them.

Five Ships Claim Hoop Championship

LONDON, March 28 — (CP) — Chances are that if something isn't done soon, the war will be over before the Royal Canadian Navy can straighten out the tangle of its basketball championship, now claimed by at least five ships to say nothing of inland barracks.

Actually, there are more than five ships who feel that they have conquest rights on any naval cage title. But main claimants are the anti-aircraft cruiser H. M. C. S. Prince Robert, the minesweeper H.M.C.S. Canso, and the frigates H.M.C.S. Seacliff, H.M.C.S. New Waterford and H.M.C.S. Jonquiere. Many boast peace-time cage aces among their personnel.

The Prince Robert, which has five players with Canadian senior basketball finals experience, has a record of only one loss in seven games. That was when they accepted a challenge from the little sweeper Canso and the Canso lads sand-bagged the Robert crew for a close but meritorious victory.

Canso thus argues they have a claim on the mythical title, but Lieut. (E) Don Finlayson, former University of Toronto cage captain, who did most of the damage against Robert, is no longer on the minesweeper.

Man O'War Is 28 Today

LEXINGTON, Ky., March 28 — (AP) — Tomorrow's an occasion in the rolling blue grass country.

As the first cock's crow echoes the dawning, a grand old man — Man O' War — the most famous horse in American turf history, will reach the 28th milestone in his plutocratic life.

Big Red, "the greatest hoss of them all," now is in complete retirement at Samuel D. Riddle's Faraway Farm near here.

The equine pride of Kentucky is an old man; 28 years is a long life for a horse.

But Big Red is a frisky fellow, despite his years and an old-age sag in his back.

Man O' War was foaled March 29, 1917, and was retired from racing 25 years ago after 20 turf victories in 21 starts.

(Actually, "Red" was 28 on Jan. 1, since that is the universal age-change date for thoroughbreds, but his foaling date is observed on the exact date.

The sleek red stallion also ranked as one of the top sires of racing stock. Before being retired from the stud, he sired 357 sons and daughters, including War Admiral and Clyde Van Duesen, Kentucky Derby winners; War Relic, American Flag and Crusader.

Big Red won the Preakness and the Belmont but never ran in the Kentucky Derby.

Cleveland Barons Win Semi-Final

BUFFALO, N. Y., March 28 — (AP) — Buffalo Bisons' two-year reign as American Hockey League champions ended tonight as the Cleveland Barons scored a 6-4 victory to eliminate them in the semi-final play-off series, eight points to four.

The Barons will open the final series for the Calder Cup against Hershey, victor over Indianapolis, in Cleveland Saturday night.

With difficulties that faced the shale-oil industry in New South Wales now seemingly solved, it is expected that production of motor fuel will reach 10,000,000 gallons annually.

Local All Stars Hold New Glasgow Team To 2-All Tie

An All Star team from the City Senior Hockey League last night held the New Glasgow Bombers to a 2-all tie in an exhibition game at the Forum.

Sponsored by the Hi-Y Grads Club, the benefit performance produced some of the best hockey seen here this year. It was hard-fought from start to finish, with the All Stars twice coming from behind to tie the score.

The game opened fast with the Bombers forcing the play and keeping Cormier in the All Stars' nets busy.

The first counter came when the local team was caught up the ice as Dickson broke away from just inside his own blueline. He carried the puck the length of the ice and drew out the lone defenceman before passing to Hancock who slipped it to Sweet close in front of the net.

The All Stars pushed the Bombers hard when L. MacDonald drew the first period of the game but were unable to score while New Glasgow was short handed.

Play had hardly got underway in the sandwich session when Dew got hold of a loose puck at centre ice and carried it over the New Glasgow line before passing to Miller who was in the clear. The latter made no mistake from right in front of the net to tie up the game at 1-all.

The score seemed to put new life into the All Stars and they gave the New Glasgow goalie a lively time but the Bombers net guardian kicked out everything that came his way. New Glasgow went one up just before the period ended with Robertson picking a loose puck at his own line and carrying it to centre ice before passing to MacIntyre who went over the All Stars' blueline to shoot from 10 feet out only to have Cormier make the save. J. MacDonald got hold of the puck and passed to Robertson who shot from close in to beat the Charlottetown goalie.

At the start of the final session the local team had a good chance to tie up the score when Leberge went through only to be beaten at the goal-mouth by a great save by MacDougall.

Finally, after several more sensational saves by the visiting goalie Leberge got the puck at his own line and passed to Dew who was in the clear at centre ice with only MacDougall to beat. Dew went in close and made no mistake.

In the less than four minutes remaining the All Stars sent five forwards on to try to get the winning tally but could not crack the New Glasgow defence.

Line-ups:

Charlottetown: Goal, Cormier; defence, Riley, Jacobi, Hess, Wingate, G. McAdam; forwards, Dew, Evans, Leberge, Horsburgh, Miller, Eady, Ashley.

New Glasgow: Goal, MacDougall; defence, Bastarache, Mackie, Sweet; forwards, Robertson, MacIntyre, Cameron, Dickson, Hancock, L. MacDonald, J. MacDonald.

SUMMARY

First Period

1—New Glasgow, Sweet (Hancock, Dickson) 10:52.
Penalty: L. MacDonald.

Second Period

2—Charlottetown, Miller (Dew) 1:08.
3—New Glasgow, Robertson (MacIntyre, J. MacDonald) 19:24.
Penalties: Evans, Cameron.

Third Period

4—Charlottetown, Dew (Leberge) 16:40.
Penalties: None.
Referees: Cameron, Lawlor.

Moncton Bruins Capture Maritime Junior Crown

HALIFAX, March 28—(CP) — Moncton Bruins throttled Halifax Centrals in the first two periods of their Maritime Junior hockey final here tonight, then staved off the fighting-mad Centrals in a donnybrook third period to take the game 8-5 and the total-goal series of 15-8.

Bruins won the first game 7-3 in Saint John, N.B. last Saturday night.

Centrals got off to an early lead as Currie scored before the end of the first minute of play. Bruins came back to outskate and outcheck the home team and run the score to 3-1 at the end of the first period and 7-2 at the end of the second.

Bruins, heavier and faster than Centrals, had their passing plays clicking smoothly and made the most of their chances of breakaways. Centrals seemed disorganized and unable to get their plays going.

The game opened up with a vengeance in the final session. Centrals, evidently smarting under a dressing room dressing down, came out with their dukes up.

More Germans Ordered To Flee Berlin

LONDON, March 28 — (AP) — Four hundred United States heavy bombers struck armament plants in Berlin today in the fifth major daylight assault this year on the gutted citadel. All "superfluous" residents were ordered by the Germans to flee the dying capital.

The new evacuation plans were broadcast to Berliners by the German radio after the attack, which boosted the total bomb weight hurled on Berlin since the start of the war to almost 75,000 tons—more than the Germans have dropped on the whole of Britain.

36th Night Raid

The daylight attack came after R.A.F. Mosquitos hit the capital Tuesday night for the 36th consecutive night.

The plans indicated that women and children would leave Berlin while able-bodied men remained to work in war plants and build barricades for a last-ditch stand as the Russians close in from the east and American and British columns plunge on from the west.

While the Berlin raid was in progress, a force of about 500 other British - based American planes raided Hannover.

Targets in the Berlin area included plants in the western Spandau district manufacturing Panther tanks, armored cars and trucks, and at Falkensee, 15 miles notrhwest of the heart of Berlin.

Heavy Flak Over Berlin

Most of the bombing at both Berlin and Hannover was done by instrument as heavy clouds obscured the targets. Heavy anti-aircraft fire was encountered over Berlin.

"Germany may have lost the war, but those flak gunners don't know it," one crewman commented.

More than 350 fighters accompanied the bomber fleets, but found no interceptors along the routes.

Can Send Mail To Philippines Now

OTTAWA, March 28 — (CP) — Postmaster General Mulock announced today that mail for released military and civilian internees in the Philippines now may be accepted for transmission.

He said such mail should be addressed as follows:—
Name of addressee,
American Red Cross, Civilian War Affairs Section,
A.P.O. 442 C/O Postmaster,
San Francisco, California.

Dodgers Have 17-Year-Old For Shortstop

BEAR MOUNTAIN, N.Y., March 28—(AP)—They say anything can happen in Brooklyn. But who would have dared predict a year ago that a 17-year-old would be the regular shortstop and a 43-year-old would share the catching duties for the Dodgers?

Yet that is the situation today, as manager Leo Durocher let it be known that Tommy Brown, who won't be 18 until Dec. 6, "is the only infielder sure of his berth" while the wizened weather-beaten Clyde Sukeforth, former Montreal Royals manager, "will do plenty of catching this season."

"Brownie is my shortstop, make no mistake about that," he said. "The kid has natural ability and has improved greatly. With the added confidence of big league competition Tommy should become one of the standouts of the game."

This is Brown's second year in organized baseball. After playing three years in the Brooklyn Kiwanis league, he was plucked by the Dodgers and sent to their Newport News (Va.) farm where he batted .297 in 91 games and led the Piedmont league in triples. He was called up in August and in 64 games batted a meagre .164.

Sukeforth entered the majors in 1926, more than a year before Tommy was born, serving as second stringer to Bubbles Hargrave of Cincinnati Reds. An eye injury received in a hunting accident in the winter of 1931 hastened the end of his career and resulted in his being traded to Brooklyn the following year.

Senate Approves Security Parley

OTTAWA, March 28 — (CP) — Members of the Government and Progressive Conservative groups in the Senate today expressed general approval of the Government's resolution calling for endorsation by parliament of the acceptance by Canada of an invitation to the San Francisco security conference.

Dr. J.H. King, Government leader, sponsored the resolution and opened the debate. Other speakers were: Senator C.C Ballantyne, Progressive Conservative Senate leader; Senator William Duff (L—Nova Scotia); Senator Iva Fallis (PC — Ontario) and Senator Rupert Davies (L—Ontario).

Dr. King said there was no need for concern at the future of Canada's relationship with the British Commonwealth. Canada had on many occasions demonstrated her loyalty.

Westville Man Is Electrocuted

WESTVILLE, N.S., March 28—William Cameron Jardine 28, of Westville was instantly killed today when he came in contact with a high tension wire on a transformer outside the shell finish department of the Trenton Steel Plant where he is employed.

It is believed his shoulder brushed against the wire which carries about 15,000 volts.

The son of Mr. and Mrs. William Jardine of Whitehall, he is survived by his wife and son, a sister, Jennie, in Toronto, and two brothers here.

House Approves Participation In Security Parley

Prime Minister King In Fiery Speech; Vote Was 202-5.

By D'ARCY O'DONNELL

OTTAWA, March 28—(CP) — By a sweeping vote of 202-5, the Commons today endorsed Canadian participation in the forthcoming San Francisco world security conference after Prime Minister Mackenzie King in a fiery, two-hour speech lashed out at critics of the Government's foreign policy and elaborated on the stand the Dominion would take at the conference.

Voting against participation were five independent members from Quebec—Frederic Dorion, Charlevoix—Saguenay; J.S. Roy, Gaspe; Ligouri Lacombe, Laval—Two Mountains; Wilfrid LeCroix, Quebec-Montmorency; and Emmanuel D'Anjou, Rimouski.

They registered their opposition despite the fact that Mr. King, in opening his address, asked that they support participation or abstain from voting so that it would not be broadcast throughout the world that some members of parliament believed they could not further a world organization aimed at maintaining the peace.

Concluding a week's debate on world security, Mr. King replied to questions advanced by members and took some of them to task for opinions expressed. He stated:—

1. Canada was not attempting to draw away from the British Commonwealth.

2. Canada and other members of the Commonwealth were agreed that the Commonwealth could not speak as an entity in any world organization.

3. Canada would not seek a permanent seat on the security council of the world peace organization and would not seek leadership among secondary states.

4. Canada had made no proposal as to the use of force by the security organization.

5. Because of his duties as a leader of a country at war he would be unable to accept any important post at the San Francisco conference if such was offered.

6. The federal general election campaign might begin while the conference was in progress.

7. Opposition members in the Canadian delegation would go to the conference as full members and not as associate members.

Mr. King, amid desk-thumping by his supporters, criticized Progressive Conservative members for spreading the impression that Canada was always seeking to pull away from closer contact with other parts of the commonwealth.

"That kind of impression is being spread as broadly as it can be everywhere; it is repeated ad nauseam by honorable gentlemen opposite," said Mr. King.

"I would ask them to tell me one time in the whole of my life when I have not stood first and foremost with every member of the British Commonwealth in furthering our common interest.

"They expect a man to take a great responsibility to act as the head of the delegation to a great world conference of this kind and before he starts off they do all in their power to render him ineffective in whatever he attempts to do, seeking to spread the impression that, if I lead the delegation from the parliament at San Francisco, in some way I shall be sulking in the corner all the time I am there, not wishing to have contacts with other members of the British Commonwealth.

"And that, after the part I have played as leader of the government of this country during 5 1-2 years of war.

"Honorable gentlemen opposite will find out when the opportunity comes — and I am thankful to say it will be given fairly soon for them to appear before the people of this country — whether the people of Canada feel that I have done my duty by the British Commonwealth of Nations, or by the British Empire, through every hour of the time I have been serving as Prime Minister of this country."

Replies to Opposition

Replying to opposition suggestions that the Commonwealth as a unit rather than the United Kingdom seek a permanent seat on the security council, Mr. King said the Commonwealth never has been, nor could it be now, a single entity in international affairs.

"We cannot at this stage of our history as a free nation turn back upon the process by which we reached free nationhood," said Mr. King.

Canada, Australia, New Zealand, South Africa and the United Kingdom were all parties to the Balfour declaration which made clear and autonomous position of each nation and its individual personality and individual rights.

This declaration, the Statute of Westminster and other advances toward nationhood by the Dominion would be thrown into discard by the opposition "for the sake of having it appear that in some way this government is lukewarm to the powers we cherish in the Commonwealth."

The Commonwealth with a single voice in the security organization would be an "impotent" factor, because of the delay that would be involved in obtaining unanimous Commonwealth agreement on any problem on which various nations would have different views.

Canada would not go to San Francisco and advance a claim to rank equal with the great powers on the security council.

"There is also a good deal of talk, much of it critical, of an alleged desire on the part of the Canadian Government to see Canada enrolled among the middle powers," said Mr. King. "I was careful in my statement to say nothing to support this unfounded assumption.

"The truth is, however, that Canada, although not large in population, has attained through the rigor of our people and the extent of our resources a position in which Canadian interests are world-wide. The potential contribution of Canada to the forming of the world organization for peace cannot be measured by counting heads. It can, therefore, be estimated by regarding the not inconsiderable part, military, economic and financial, which our country has taken in the alliance with the great powers."

No Military Agreements

Mr. King said no military agreements would be negotiated at San Francisco, nor could any such agreements come into effect under the proposals until they had obtained approval of the security council.

When he said acceptance of the Dumbarton Oaks proposals as drafted would in no way commit Canada to send forces beyond Canadian territory he was making a simple statement of fact. Canada had advanced no proposal as to the use of force by the organization.

Progressive Conservative members of the opposition had interpreted his statement to mean that Canada in entering a world organization has not very much to worry about or that there was very little obligation; that the Government was trying to leave open an exit for some of the obligations that Canada will be asked to assume at San Francisco, implying that such action was an attempt to appease the isolationists of Canada; and that it was offered as a sop to the isolationism or the little Canadianism of a minority in this country in order to ensure support for the resolution.

"My statement was a simple statement of fact; and to say that it is an attempt to appease the isolationists of Canada is reading into in an unwarranted construction," said Mr King.

The charge by Progressive Conservatives that the Government was returning to a no-commitment policy also was unwarranted. Canada had no commitment to go into the war nor to do all the things she had done during the war.

"She has given her all in a total war effort because there was no commitment and because the heart of Canada was sound, and we did not need to be making any commitments," said Mr. King.

Another thing that struck him as extraordinary was the fact that Progressive Conservative members "always find it necessary to belittle Canada's war effort."

This statement brought from opposition members a round of objections and assertions that they had never belittled Canada's war effort.

WOKINGHAM, England — (CP) — Sir John Sanderson, who once lived in Melbourne, Australia, and was knighted in 1937 for services to the British Commonwealth, has died, in this Berkshire town, aged 76.

Consider Collapse Unlikely Over Easter

By E. FRASER WIGHTON

LONDON, March 28—(Reuters) — There will be an emergency recall of parliament if Germany collapses during the Easter recess which begins tomorrow. Informed circles consider, however, that the end of the war in Europe though not far distant, is not likely to come immediately.

Such is the rate of progress on the West Front that the picture obtained by Prime Minister Churchill during his visit to Germany at the week-end, according to authoritative London circles, already is completely out of date.

Lt.-Gen Patton's United States 3rd Army is an hour-to-hour enigma. Nobody knows where it will next turn up.

Experts professed to be unable to understand the German High Command psychology which, with the enemy at its throat, has allowed itself to be trapped into a position where large numbers of divisions are still locked up in the Balkans and in Latvia.

The situation in the west is described as "extremely good" but there is a general warning against premature celebration of Germany's collapse.

Churchill Pays Tribute To Late Lloyd George

LONDON, March 28 — (CP) — Prime Minister Churchill paid tribute to the late Earl Lloyd George today as "a champion of the weak and the poor," and as the greatest Welshman since the days of the Tudors.

"It was Lloyd George who launched Liberal and radical forces in this country effectively into a broad stream of social betterment and social security," Mr. Churchill said in the House of Commons as parliament paused in the midst of wartime problems to honor the memory of the Empire's leader during the First Great War.

"There was no man so gifted, so eloquent, so forceful, who knew the life of the people so well."

Earl Lloyd George died Monday night at the age of 82.

"His eye ranged ahead of the obvious and he was always hunting in the field beyond," Mr. Churchill said. "He was the champion of the weak and the poor. I am sure that as time passes his name will not only live but shine in the account of the great, laborious and constructive work he did for the social and domestic life of our country."

4,000 Jobs For Science Students

OTTAWA, March 28 — (CP) — About 4,000 temporary summer jobs will be available this year for university undergraduate students in science and engineering courses, Arthur MacNamara, director of National Selective Service announced today.

Through the Wartime Bureau of Technical Personnel and Employment and Selective Service offices, these positions will be available to students who are anxious to gain experience and aid, in the war effort during the vacation period. The jobs have been located through a questionnaire sent to employers across Canada.
