**WELCOME NEWS.**—Friends everywhere of H. Price Webber, who some time ago underwent a surgical treatment at St. Barnabas' Hospital in Portland, will be glad to learn that he has sufficiently recovered to be able to leave that institution and was brought Tuesday evening to his home in this city, being accompanied by Mrs. Webber, who had been with him during his stay in Portland. Mr. Webber is reported to have staid the journey well and was but little tired on his arrival at Augusta. All will unite in wishing him a complete restoration to health. —Kennebec (Me.) Journal, Nov. 3.

**VALUABLE SOUVENIR.**—Miss Adelaide Milligan of New Brunswick is the possessor of several valuable souvenirs received from her uncle, Private Walter Ranaghan, of Kinkora, who crossed over to England with the First Contingent. One of the souvenirs a signet ring made from a German shell, which Miss Milligan is going to have engraved, while the others are samples of the German, French, United States and English bullets and shrapnel such as is in daily use in the trenches. Needless to say the young lady is very proud to possess such valuable mementos of the battlefield.

**DEBATING CLUB.**—On Thursday evening last the Glenham Debating Club held their annual meeting. Mr. A. S. Robertson, the retiring President, occupying the chair. The following officers were then elected:—David McDonald, President; Hugh Trainor, Secretary. A debate was then held on the subject: "Resolved that Talent weighs more influence than wealth." Messrs. David McDonald, Hugh Trainor, Roland McDonald and Peter Trainor supported the resolution, while Messrs. A. S. Robertson, Wm. Timon, James McDonald and Wm. McDonald contested. A decision in favour of the resolution was given by Mr. Frank Gallant, Chairman, after a very warm and sometimes stormy argument.

**WILL PRACTICE HERE.**—Attention is directed to the professional card of Dr. W. E. Williams, who has opened an office at 269 Queen Street. Dr. Williams is a native of Mount Pleasant, this province, and had a brilliant career, being a graduate of McGill and having done practical work for a year in the Royal Victoria Hospital. He also took post-graduate courses in Harvard and New York Polytechnic School, making a special study of children's diseases in addition to regular medical and surgical work. Dr. Williams is a cousin of the late Mr. A. G. Williams, manager of the Bank of New Brunswick, Charlottetown.

**INSTITUTE MEETING.**—The Lakeview Women's Institute held its monthly meeting at the home of Mrs. J. Rose, Lakeville, and an evening of much profit and pleasure was passed. First on the programme was a paper on "The Relations of School and Home," by Miss Pearl Ching, teacher of Lakeville school. This paper dealt chiefly with the relationship between the school and home, being brought about by the present educational conditions, and contrasting that relationship with that of former years. Miss A. M. Macfarlane of the department of Agriculture, was present; the meeting was then given over to her, and she gave a lecture of more than usual interest on Home Nursing. After this she gave a demonstration on Bandaging. After the meeting closed luncheon was served in Mrs. Rose's usual good style. The members are invited for their next meeting, Dec. 1st, to the home of Mrs. A. F. Rose, North Lakeville. All are specially invited to this meeting, and the programme is to be one of much interest.

**MARKET NOTES.**—The supply of green stuff in the Market is growing smaller by degrees and beautifully less. A pretty fair supply of table fowl was displayed on the stalls yesterday at moderate prices. Ducks in particular were in fine condition.

**ANNIVERSARY.**—Sixty-five years ago yesterday the brig Fanny sailed from Charlottetown for California. Of the company of men who sailed on that famous voyage there is only one left now living today, Mr. John Henry Gates of this city, who still continues hale and hearty.

**ANTI-AUTO MEETING.**—The Anti-Auto Association held its meeting yesterday afternoon. In the absence of President Wright, the Vice-President, Mr. William Gibson, presided. After reports had been received it was decided to continue the organization, as it can be turned to other useful purposes if necessary.

**WEDDING BELLS.**—The marriage of Mr. Wm. A. MacMillan, of Hunter River, and Miss Christina, youngest daughter of Mr. Jas. Patterson, of the same town, was celebrated at Watermere on the 6th inst. The marriage ceremony was performed by the Rev. D. MacLean. The bridal party was unattended. As the young couple are among the most popular residents of the community they have the very best wishes of a very large circle of friends. The Guardian extends to Mr. and Mrs. MacMillan its most hearty congratulations, wishing them a long and prosperous wedded life.

**SUDDEN ILLNESS.**—Mr. William Brehaut, Grafton Street, was taken suddenly and alarmingly sick yesterday afternoon, but his many friends were glad to learn that his condition last night was much improved and that no serious outcome is anticipated. He was about his work as usual yesterday and while walking along the street he fell at a light step ladder, he fell unconscious. The ambulance was at once sent for and he was taken home and medical aid summoned. At first the symptoms indicated an apopleptic stroke, but he gradually recovered and at last on last night, was convalescing and well on the way to complete recovery.

**ONLY A DIME A DAY.**—Two days more does this world-wide call for help, the starting point of Belgium, reach throughout the Empire. As times are really good with most folks in the city and money is being spent freely on every side a very general and generous response is looked for to all the calls. The sum of 10 cents per individual. A dime a day will not tend to foster dyspepsia either here or in Belgium, but it means at least keeping the breath of life in millions of misery-madd souls. Remember that ten cents isn't a tanner; better make it fifteen and be on the safe side. Mr. J. D. Riley will gladly receive all contributions at his office.

**CREDITABLE RECORD.**—Mr. Rodger Matheson, P.E.I. Railway Police Officer, has the distinction of having four sons now wearing the King's uniform. Two of the sons, James and Frank, enlisted with the First Contingent, the former, who is a South African Veteran and has a medal with his name on it, at Bastardtown, and the latter at Prince Rupert; John D. is attached to No. 2 Siege Battery, now in Charlottetown, and Louis is attached to the new Island Infantry regiment now being recruited. Mr. Matheson is himself a veteran soldier, having served for over twenty years in the 4th Regiment and was one of the detachment of that regiment which captured the Queen's Cup at Quebec. It will mean something to the units to which these young men are attached, and it will probably also mean something to the Germans, for they are a stalwart bunch, three of them being over six feet in height and the fourth, a sturdy fellow of about 5 feet 10. Few families can boast such a showing either in number or physical fitness.

**The Heintzman & Co.**  
**—A Piano for the Fastidious**

The makers of the Heintzman & Co., Piano are not in business to produce merely a good or a VERY GOOD instrument; they manufacture beyond question the BEST PIANO that has ever been offered the public, and the whole resources of their institution are bent toward maintaining their SPLENDID STANDARD and IMPROVING IT, be it ever so slightly, from time to time. The Heintzman & Co. Piano is not an instrument that is produced at a given price to place upon the market; the expense of its manufacture is a matter of but minor consideration, and the ruling idea has been to make the best piano that skill and genius can put together irrespective of cost. The Heintzman is beyond ordinary commercial usages, and is far beyond the ordinary best piano quality.

The exquisite quality of tone in the Heintzman Piano is a matter of marvel. Every other manufacturer acknowledges its unrivalled beauty and very many have spent time and money in the attempt to duplicate it.

Nevertheless, the Heintzman tone remains today a thing apart in Piano tone; there is no other piano like the Heintzman, and we think, no other can satisfy the fastidious purchaser—who can afford to have one.

We are sole handlers of Heintzman & Co., Pianos in Prince Edward Island. It will give us pleasure to have you examine our stock.

**Battle Hymn Of Prince Edward Island**

The end shall be thy glory:—Bringing victory for the free—A tramping down oppression; and a resurrection be—It shall loose the arm of Justice; then in happiness and glee, Shall Truth go marching on.

**(CHORUS).**  
 Glory, Glory, Hallelujah, Glory, Glory, Hallelujah, Hallelujah, Glory, Glory, Hallelujah. His truth goes marching on.

In the book of life it's written, "the unrighteous cause shall fail" So we rally to our colors—For we hear our country call, And upon her holy altars we will offer up our all—For Truth goes marching on.

**(CHORUS).**  
 Our eyes shall see the breaking of the near millennial dawn, A nation's heart is aching for another nation's wrong—Vicarian deeds forestalling of a bright and better morn, While truth goes marching on.
