Meeting Hears Proposed Lobster Carnival Program

The proposed program for the forthcoming Lobster Carnival was presented by Charles Hogan, director of the four-day event, and discussed at last night's meeting of the overall committee, under the chairmanship of Edgar Cannon.

Progress reports were given by the various committee chairman and members of the service clubs. The important item of lobsters for the carnival was left in the capable hands of W.E. Jenkins, who was given the green light in purchasing the main item of fare for the event.

Much discussion centred on the problem of deciding which day the boat races should be held. It had originally been decided to have this event on saturday but it was agreed last evening that a big risk is involved in leaving such a big attraction to the last day in case of high winds that would cancel the event. It was felt that the boat races should be scheduled near the first of the carnival events, with an alternate day, possibly the following day, in case of the high winds or inclement weather that would postpone the major attraction. This event is expected to attract many boating enthusiasts from distant points.

The meeting agreed that the track and field events will be held at the track at Queen Elizabeth Park, the soap box derby on Summer St. startin; at Schurman Avenue, the fiddling and step dancing contests at the Civiv Stadium and that the local orchestras will be engaged for the two carnival dances.

Air Cadet Squadron Annual Inspection Held Last Night

Squadron Number 57 Air Cadets, which is sponsored by Number 200 Wing R.C.A.F. Association, held their annual inspection last evening at R.C.A.F. Station, Summerside. The cadets, under SL Murray Shanks, were inspected by Group Captain W.H. Swetman, D.F.C., D.S.O., who complimented the cadets on their very excellent demonstration.

Group Captain Swetman said that this was the tenth squadron he had inspected this spring and he had no quaems in stating that he had seen nothing better during his entire inspection tour. He paid tribute to the sponsoring body, Number 200 Wing R.C.A.F. Association and the men who had devoted so much of their time to the sqaudron. Through their unselfish efforts, the squadron has been brought to its present state of perfection, he said.

The squadron demonstrated the results of their training in precision drill, march past, rifle drill, and first aid.

The parade was witnessed by a large gathering of the parents and friends of the cadets, including His Worship Mayor Currie, and Mrs. Currie, Cpl. Keefe of the R.C.M.P., Lt. Roy Boates, commanding officer of the Sea Cadets and also Lt. George Olscamp of the Sea Cadets. Dr. Gilbert Gallant, chairman of the Air Cadets' committee and Mr. Gregory Mulholland, chhairman of the P.EI Air Cadet League of Canada.

In addressing the gathering, Mr. Mulholland said that it was a great pleasure to see so many of the public present. This was the kind of support that the Air Cadet League of Canada was grateful for.

Following the inspection, a reception was held at Number 200 Wing R.C.A.F. Association rooms.
