IN MEMORIAM

MRS. W. GEORGE SIMPSON

Friends far and near were saddened at the passing in the Prince County Hospital on November the Twenty-seventh of Mrs. W. George Simpson, Kensington, in her eightieth year. Her husband predeceased her in July, 1942.

The late Mrs. Simpson, was a daughter of Frederick and Eliza MacNeill Woolner and was born in North Rustico where she was well and favorably known and where many of her relatives resided.

Until her sudden illness two weeks before, she had been in good health, active, alert and young in spirit. The day before she was stricken, she attended the morning service of her church and in the evening sang with the choir at Long River Church.

For many years she had assisted in the service of praise so it was fitting that at this last service her voice joined with the choir in worship and praise. Always a faithful attendant, the ministrations of her church were a great source of comfort and inspiration to her. She was also deeply interested in the Missionary Society and gave assistance and willing service to all the various activities of that organization.

She had a gift for friendship and the happy relationship and cordial association with her neighbours was shown by many acts of kindness and tokens of sympathy extended to her during her illness.

She will be remembered with affection by her immediate family circles which includes a brother, Benj. C. Woolner and his wife, three step-daughters Florrie (Mrs. Ernest Mill) Jennie (Mrs. Robert Humphrey) and Ella, (Mrs. Vaughan Groom) and a large number of nieces and nephews and their families. Each and all felt her passing as a deep personal loss.

The funeral service was held in the United Church, Kensington and was largely attended. The service was conducted by her beloved pastor, Rev. L. M. Murray assisted by Rev. Alex MacKay. Mr. Murray's discourse was impressive and inspiring and was based on first Cor. chapter 15, verse 58, "Therefore, my beloved brethren, be ye steadfast, immoveable, always abounding in the work of the Lord, for as much as ye know that your labour is not in vain in the Lord".

He emphasized the great hope of the resurrection whereby those who are faithful to Christ and His teachings are enabled to enter into the joys of the Blessed Home beyond and thus become victors over death and the grave.

"The Lord's My Shepherd" and "Nearer My God To Thee", were beautifully rendered by a male trio.

There were a number of floral offerings — a last tribute from her dear ones, flowers from Clermont W. I., and her associates in the Missionary Society gave an offering to the M. and M. Fund in her memory.

The pall bearers were Capt. Edward MacDonald, Ernest Mill, Newton MacLure, Sterling Stewart, Mervyn Bulman and Robert Humphrey.

Interment was in the People's Cemetery, Kensington.

CARD OF THANKS

NOTICE

Province of Prince Edward Island

DEPARTMENT OF HIGHWAYS

It is expected that practically any day now, snow storms will occur and it will be necessary to commence snow ploughing the highways of the Province.

One of the many difficulties inherent in this operation is the problem of the mail box. It is fully realized that a mail box is necessary for the courier to service, but it is also necessary to clear the road completely of snow or if this is not possible, wing it back as far as possible.

Quite often the operator may be working under difficult conditions:—i.e. heavy drift running, ploughing at night, or the mail box may already be completely covered.

In all cases the normal location of the mail box is involved and very often is damaged, sometimes quite considerably. Many people have found that a portable mail box is a satisfactory solution.

As it is necessary to keep roads clear of snow, the co-operation of all concerned is requested so that the least amount of damage is done.

J. GEORGE MacKAY,
Minister of Highways.
