CURRENCIES

MONTREAL (CP) — The U.S dollar closed Thursday at a discount of 3 1-16 per cent in terms of Canadian funds, down 1-32. Pound sterling $2.72⅛, down 1-16.

NEW YORK

NEW YORK (AP) — The stock market swept forward to another record high Thursday in heavy trading. Late profit-taking clipped many gains.

Gains by industrials were reduced about 40 per cent in the final hour as traders cashed profits on the big post-election rise of the last two sessions.

The quoted value of stocks listed on the New York Stock Exchange rose an estimated $1,650,000,000 based on the rise in The Associated Press 60-stock average. It rose $1.30 to $202.70.

Brokers said the rise was based on inflationary expectations due to the Democratic election victory. It was also linked with a breakthrough in the Dow Jones industrial average above the 550 mark which market analysts regarded as a resistance level. The Dow Jones index closed at a record 554.85.

International Nickel and Walker - Gooderham added 1½ each in the Canadian section and Distillers-Seagrams gained ¾. Canadian Pacific, Aluminium Ltd. and McIntyre Porcupine closed lower.

Canadian Industrials were generally higher, mines and oils lower on the American exchange.
