N. Y. Stocks

NEW YORK (AP) — The stock market took a definite turn down Wednesday in quiet trading.

The fall was far from pronounced and trading never reached proportions that would suggest pressure.

Price changes were mostly small, and there were few key stocks that moved as much as a point in either direction.

Motors were early victims of selling but closed only slightly lower. Steels ended lower along with aircrafts, coppers, many were mixed to slightly higher.

The Associated Press average of 60 stocks was off 40 cents at $179.40. It was up 10 cents Tuesday. The industrial component of the average was off 60 cents, and rails were down 30 cents, while utilities remained unchanged.

There were 16 highs and 16 lows scored.

Business wasn't very great at 1,990,000 shares.

Canadian issues were mixed. McIntyre added ½ and Dome Mines and Hiram Walker both gained ⅛. International Nickel and Distillers Seagram both fell ⅛ and Canadian Pacific remained unchanged.

On the American stock exchange Lake Shore and Giant Yellowknife both slipped ⅛ and Royalite Oil remained unchanged.

The Old-Fashioned Way

To try and sell "need-nots", or try and find a maid, or rent a room, the old-fashioned way was to get on the phone and tell neighbors about it. But that was a slow process, and only a few people were ever made aware. To get quick, successful results, EVERYBODY who might be interested needs to know.

So, when you want to sell used articles, or hire competent help or offer skilled services, do as thousands of others do so effectively each year.
