HER HOME NO LONGER CHILDLESS Operation not Necessary after Taking the Great Medicine for Women.

Miller's Falls, Mass.—"Doctors said I had displacement very badly and I would have to have an operation. I had a soreness in both sides and a pulling sensation in my right side. I could not do much work the pain was so bad. I was also troubled with irregularity and other weaknesses. My blood was poor. We had been married four years and had no children. After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I became well and strong and was saved from the operation. We are now the parents of a big baby girl and I praise your remedies to others and give you permission to publish my letter."

Lydia E. Pinkham's Vegetable Compound is famous for restoring women to normal health and strength. When this is done wives no longer despair of having children.

A woman should be reluctant to submit to a surgical operation until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. If you have a case that needs special advice, write the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. It is free and always helpful.
