The results of modern civilization are evidenced in an increase of nervous disorders. It could not be otherwise with the way we eat, drink, live, sleep, and keep up a continual round of excitement.

MILBURN'S HEART AND NERVE PILLS

come along with their nerve-strengthening and energizing properties, and restore them to their normal condition. Mrs. Wm. Levi, Marquette, Ont. writes: "I had for several years been troubled with nervousness, and, like many others, spent lots of money on medicine that did me no good."

WAS IN BED FOR THREE MONTHS.

PEOPLE SAID SHE HAD CONSUMPTION.

Read how Mrs. T. G. Cook, Bensenville, Ont., was cured (and also her little boy) by the use of Dr. Wood's Norway Pine Syrup. She writes: "I thought I would write and let you know the benefit I have received through the use of your Dr. Wood's Norway Pine Syrup. A few years ago I was so badly troubled with my lungs people said I had Consumption and that I would not live through the Fall. I had two doctors attending me and they were very much alarmed about me. I was in bed three months and when I got up I could not walk, so had to go on my hands and knees for three weeks, and my limbs seemed of no use to me. I gave up all hopes of ever getting better when I happened to see in B. B. Almans that Dr. Wood's Norway Pine Syrup was good for weak lungs. I thought I would try a bottle and by the time I had used it I was a lot better, so got more and it made a complete cure. My little boy was also troubled with weak lungs and I cured him. I keep it in the house all the time and would not be without it for anything."

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club. 3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday, Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest. 4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be convenient if students will write their answers on letter paper, about 3 1/2 x 5 1/2. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded to members of the Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office. 5. The answers from this Local Club will be delivered to this office, and they will be collected a number of marks, on by members of The International Newspaper Study Club, and the names out of so the examinee may know it by number only. 6. Students should be careful to understand the question before answering. To do this, the lesson
