Toronto: Industrials advance; speculatives lower.

New York: Stocks higher; late improvement.

Montreal: Industrials irregular; trading moderately active.

Toronto Stocks

TORONTO (CP) — The recent boom in speculative copper stocks ran out of steam on the Toronto stock market Tuesday.

Advances of between 13 and 20 cents in the mining division were marked up to Copper Cliff, Coldstream, Nipissing and International Ranwick. Other favorites included Aubelle, New Rouyn, Aumacho and Maritimes, the latter touching $3.55 before easing to $3.35, up five cents.

Kilembe dropped 40 cents to $4.35. Duvan, Granduc and Geo-Scientific lost 20-25 cents. Consolidated Haliwell slipped 14 at $1.65.

Lake Nordic, Gulch and Nesbitt Labine retreated 10-15 cents in uraniums. Panel, Greyhawk, Milliken, Magnet and Pardee advanced pennies.

Western oils drifted steadily lower after making early headway. Losses ranged to 30 cents, Bailey-Selburn and National Pete leading. Merrill Pete gained 50 cents.

Montreal Stocks

MONTREAL (CP)—Industrial issues were mixed Tuesday at the close of moderately active trading on the Montreal and Canadian stock exchanges.

International climbed 3⅛ points to a new high in a strong paper group. Fraser added two points.

Algoma gained a point and Stelco eased ¼ in the steels. Aluminium and Dominion Foundries were ½ point losers in the base metals.

Bell established a new high with a ½ point gain in the utilities. Refining oils were firm.
