NEW YORK

NEW YORK (AP) — Sharp gains by selected issues and heavy trading for the day and featured a continued stock market recovery Friday.

Trading for the session as a whole was a moderately active 4,560,000 shares compared with 4,330,000 Thursday.

It was the second day of recovery from steep setbacks taken earlier in the week and the best one-day advance in about three weeks.

Considerable strength was linked to short covering, in hope that replacement stock could be bought in the future at lower prices, thus providing a profit.

At the same time, bullish news and rumors spurred on a number of issues.

Among these was Xerox which advanced 18 points to 388 on extremely heavy trading for such a high-priced stock. Xerox placed as third most active issue on turnover of 77,200 shares. News of its 5-for-1 stock split proposal and doubled dividend attracted new buyers.

The Dow Jones industrial average rose 5.15 to 750.81.

The Associated Press average of 60 stocks advanced 1.4 to 269.4.

It was the largest gain since Oct. 16 when the average rose 2.0.

American Photocopy was a strong value leader, recovering 1¼ at 13 on 99,200 shares following its heavy selloff Thursday. Martin Marietta was next, up ⅞ at 20¼ on 86,000 shares.

Chrysler rose 2½. Radio Corp. 2¾ and Polaroid 8 in heavy trading.

CBS spurted 4⅛ to 82⅝, still remaining below its year's high, as rumors spread that the stock would be split when directors meet next week.

Celanese gained 1⅝, IBM 3, Control Data 2¼, Du Pont 1⅞, American Telephone 1⅜, Pan-American World Airways 1¼ and General Electric 1⅛.

Rails continued to be encouraged by the turnabout in profits this year. Gains of a point or better were made by Chicago and North Western, Great Northern and Southern Pacific, Western New York Central and Pennsylvania Railroad advanced ⅝ each.

Among Canadian issues McIntyre Porcupine added ½, Dome Mines and Aluminium each ⅝ and International Nickel ¼. Hudson Bay Mining and Distillers Seagrams lost ½. Walker Gooderham was unchanged.

Prices rolled late in the day on the American Stock Exchange producing an irregular advance. Canadian Marconi was up ¾, Brazilian Traction ¼ and Fargo Oil 1-16. Jupiter Corp. and Scurry Rainbow Oil each eased ¼ and Preston 1-16.
