

THURSDAY

PROPERTY SALE.—The double tenement belonging to the late Mrs. Richard Murley at 12 Elm Avenue, was sold at noon yesterday to Messrs Reaney Gay and James Arbing. Mr. Benjamin Carter was the auctioneer.

FOR THE STEEL WORKS.—The following young men from Kinkora left yesterday for New Glasgow, N. S., to work at shell-making in the Steel Works: Charles Mahoney, Augustus Duffy, Basil Greenan, J. P. Mulligan and Ernest McCarville.

INVESTMENT PAID 900 PER CENT.—A short time ago Mr. George C. Cudmore, Elm Avenue, advertised the sale of eggs from his Buff Orpington hens, using The Guardian only as a sales medium. The ad was a small one, costing but \$5.00 for the entire run. To date Mr. Cudmore has sold over \$50 worth of eggs from his flock—and he gives full credit to The Guardian for bringing in fully \$45 worth of this business. Orders came in from many parts of the Province—and the last one did not arrive yet, either.

ISLAND SOLDIERS PHOTO.—The last issue of "Canada" published in London, England, contains some fine engravings of detachments of Canadian soldiers now serving in France or England. Among the officers of the Edmonton Sportsmen's Battalion, now in England, are to be seen Major H. H. Sterns and Capt. U. G. Dawson of P. E. Island, who left here with the 105th Battalion. In another picture showing a Brigade Headquarters Staff is shown Lieut. Glen Norton of Brudenell, P. E. I., who was killed in action on March 26, 1917.

105th DRAFT.—Major McNutt of the 13th Reserve Battalion, C. E. F., England, reports that the following men of the old 105th Battalion have left on transfer to Canadian Forestry Corps which is at present stationed in England, but which will soon be sent across to France: Pte. G. J. 71299, Pte. A. G. 712014, Cpl. Boulter, J. 713050, Pte. Gallant, J. P., 713282, Pte. Gallant, P. T., 712777, Pte. Malone, J., 713027, Pte. McAssey, A. S., 712998, Pte. Smith, A. L.

HOLDS RECEPTION.—Mrs. Chas. D. Weeks received yesterday in her home on First Street, Medicine Hat, for the first time since coming to the city. Simplicity of appointment characterized the event. The reception rooms were prettily arranged with pink carnations and sweet peas, a beautiful cluster of the latter forming the centre of the dainty tea table. The hostess received her guests with charming cordiality and was assisted by Mrs. H. H. Brown, Mrs. Large presided over the tea cups while Mrs. David Brown served the ices. The tea room assistants were Mrs. J. S. McLeod, Miss Trimble and Miss Passmore. Mrs. Weeks' little daughter Adela assisted by ushering in the guests. A large number of ladies availed themselves of the privilege of calling upon Mrs. Weeks, who has recently come from Prince Edward Island to make her home in the city.—Medicine Hat Exchange.

Mrs. Finlayson, widow of the late Mr. Ninian Finlayson, passed away yesterday afternoon at her residence on Hillsborough Street. For the past 25 years she had been a great sufferer from chronic rheumatism, but through it all she evinced a fine spirit of resignation and preserved all the keen qualities of a strong mind. She was in all respects a beautiful character, and a loving wife and mother. She was 82 years of age and retained all her features till the last. Her husband predeceased her eighteen years ago and there are left of her own family to mourn her loss,—our well known citizen, Mr. Kenneth Finlayson and two daughters the Misses Mary and Minnie. She is also survived by three sisters, Mrs. Wilson of this city, and two others in Boston, and by two brothers, William Bethune in Boston, and James in Halifax.

The funeral will take place from her late residence, 181 Hillsborough Street, Saturday at 2.30 p. m. to the People's Cemetery.

STILL 105th.—The question was asked one day, why the "105th Comfort Circle" was not called the "104th Comfort Circle"? The name "105th Comfort Circle" is decidedly the most appropriate name that could have been chosen and shows not only good taste, but sound common sense. The object of this Circle is to provide comfort for the boys of the original 105th Battalion as well as the two drafts just sent from this province as reinforcements. The 105th P. E. I. Battalion was broken up, and it is the Circle's aim to preserve the name, and provide some comfort for these brave boys who are now in the 13th, 14th, 25th, 26th, 104th and 13th (Reserve) Battalions, besides a few of the men who have been transferred to other units. Nearly 400 of the 105th boys transferred to the first three mentioned regiments have now been fighting in the trenches for six months. Less than thirty per cent of the 105th boys are in the 104th, awaiting orders to proceed to France. Only a short time ago several were drafted from the 13th Reserve to the now famous "Fighting 26th" and the remainder may be called upon at any moment to reinforce the boys at the front. Perhaps the following extract from a letter written by one of the best of the 105th officers, fully voices the sentiment of the great majority of old 105th boys in the different units: "The number and name of the old battalion is still dear to many of us here, as it is to all those at home, and I am sure that all regret that it could not go to France as a unit to represent our Island Province."

PAINFUL ACCIDENT.—Mrs. John Dickerson, Summerside, met with a very regrettable and painful accident on Monday. While tidying up some shelves during housecleaning she had the bad misfortune to fall and break her hip. Her many friends sincerely trust that she will make a rapid recovery.

ANOTHER FARMER BUYS ONE.—Mr. Paul A. Perry, a successful farmer of St. Nicholas has purchased a 5 passenger Ford car from R. T. Holman, Limited, Summerside. Mr. Perry has been located in the West for a number of years, and appreciates everything that tends to modernize farming and the rural life.

CHILD DEAD.—On Saturday about two o'clock the spirit of the little infant of Mr. and Mrs. J. Morrel of Knutsford took its departure to be with Him "who said suffer little children to come unto me". The little one who was four months old was laid to rest in the Methodist Churchyard at Knutsford on Sunday.—W.

PASSED CIVIL SERVICE.—In a list of successful candidates at a qualifying examination for the Outside Division of the Civil Service of Canada in the last issue of the Canada Gazette appears the name of Mr. William Stanislas Curran of Charlottetown. His is the only name from P. E. Island in the list. The examination was held at the different centres throughout the Dominion on the 16th and 17th of May, 1917.

NEW AUTO OWNERS.—Among the purchasers of Ford cars from R. T. Holman, Limited, Summerside, on Monday, were Mr. R. B. Richardson, Manager of the Royal Bank of Canada, Mr. H. B. Crockett, the jeweller, Dr. B. Gallant, druggist, Mr. John Taylor superintendent, Sun Electric Company Mr. Stanley Perry Queen Hotel, Mr. Harry Silliphant, meat dealer, Messrs Heckbert Brothers, Mr. Edward McWilliams of Cape Traverse, and Mr. Harry Webster, also of Cape Traverse.

VISITING IN HALIFAX.—Capt. J. C. Martin, Chaplain of the 85th battalion, formerly of Montague, P. E. I., was a visitor in New Glasgow Monday accompanied by his wife. They are the guests of Mr. and Mrs. Paul McDonald, Capt. Martin, known to the 85th boys as "Father Martin" is home on furlough as the result of illness. Mr. and Mrs. Martin leave for Halifax this afternoon and will be accompanied to the city by Mrs. (Major) John A. McKenzie says the New Glasgow News.

The case of the King vs. Wilfrid McLellan came up for hearing yesterday morning. The accused is charged with the larceny of butter, the property of Joseph Clow, Freetown. The case occupied all day. The witnesses were Joseph Clow, Ann Clow, James Tamlyn, Whitmore Perry, Fidelity Arsenault, Harold Huestis, and Albert Oakes, policeman. The prisoner gave evidence on his own behalf. The evidence was to the effect that a man named Linkletter stole butter from Clow's place, and he and the defendant took it to the store of Tamlyn, a grocer in Summerside, to whom they sold it, the defendant receiving the money. The jury after a deliberation of three quarters of an hour found the prisoner guilty, with a strong recommendation to mercy.

The Attorney General and Mr. Heath Strong appeared for the prosecution and Mr. A. C. Saunders for the defence.

The case against Frederick Shea, who is charged with perjury will come up this morning.

UNVEILING THE HONOR ROLL.—Last Sunday a very interesting service was held in the Summerside Methodist Church, the pastor Rev. J. M. Rice, B.A. officiating, when the unveiling of the Honor Roll, containing the names of all connected with the Methodist Church, Summerside, who have enlisted for the defence of King and country, took place. Following is the list: Miss Winnie Schurman, Nurse Major T. H. E. Inman, Lieut. G. Bradburn, Lieut. Victor Morris—M. C., Lieut. Ralph B. Rogers, Lieut. Ernest H. Strong, Q. M., Sgt. Wilfred Wright, Sgt. Charles Dunn, Bandsman Colin Strong.

A death which caused widespread regret, took place at Wood Islands on May 24th, in the person of Margaret Bruce, relict of the late Mr. Duncan McLennan, in the 70th year of her age. Of late the family has been greatly afflicted. In December last a devoted husband and father was called away. In March, the news was received that many learned with deep sorrow, that an esteemed son, the Chief of Police of Vancouver had been shot by a ruffian. In April came another anxious item of news, that another faithful son, Bruce, a member of the 105th Battalion, had been seriously wounded at the front. This could not but weigh heavily on one, so attached to husband, so fond of sons, as Mrs. McLennan. She was a devoted member of the Presbyterian Church, of Wood Islands. The commendations of praise towards her that were uttered on the day of her burial, manifested that her excellent qualities were many, and that the community has lost one of its esteemed women. She has left to mourn three daughters and six sons.—Mrs. Arthur S. Hayes, Malden, Mass; Mrs. (Dr.) Edwin D. Carder, Vancouver; Miss Mary, at home; Alex. Munroe, at home; John at Montague; Murdoch Bruce, in Vancouver; David in Roseland; James D., at home; Bruce, above mentioned, who was wounded at Vimy Ridge and is now in hospital in Edinburgh, Scotland; Mrs. A. F. Bruce, Valleyfield, is a brother of the deceased. The funeral service was conducted by the Rev. M. D. MacLeod, Caledonia, assisted by Capt. the Rev. J. C. Martin, Montague.

FRIDAY

INDIANS JOIN THE NAVY.—Micmac Indians of Nova Scotia and P. E. Island have already shown their loyalty by enlisting for service in the army during the present war. During the past week two Nova Scotia members of the tribe, namely, Joe Sauc and James Brocks, both of Tuft's Cove, Dartmouth, and the latter of oars, have enlisted in the Canadian navy and joined the Niobe. They are the first of their people who have ever entered the navy, and they will be followed by others.

The Angel of death visited the home of Peter A. Doucette and claimed for his own Andrew Doucette of Rustico. The late Mr. Doucette had been in failing health for some time but on Sunday, June 10th his soul took its flight to One who claims him for his own. During his illness he was visited by his pastor Rev. John Chaisson who administered to him the last rites of the Holy Catholic Church. The funeral took place on Tuesday the 12th, a large number of his friends and relatives followed him to his last resting place. May his soul rest in peace.

A NEAR ACCIDENT.—A serious double accident was narrowly averted yesterday when one of the popular young men of the Royal Bank of Canada, while speeding on his byke, collided somewhat violently with a cab driven by Mr. Andrew Duncan. The cab was uninjured, but the young man's byke was slightly damaged by becoming tangled in the carriage wheels and the horse's feet. In passing under the cab the young man's coat was badly ripped across the back. Otherwise the collisionists escaped.

AUTOED 1000 MILES.—Yesterday at 11 o'clock Mr. and Mrs. William Bowen and five children, of Lajunta, Colo., who arrived by the boat the previous evening, left Summerside by auto to visit friends in Cape Traverse and Wheatley River. The party of seven have motored the entire route of 1000 miles from Lajunta in their Ford car, which is fully equipped with a campers' outfit, including folding tent, beds, cooking outfits, bedding, provisions, etc., and had a most delightful trip. It is twenty-nine years since Mr. Bowen visited his friends here, and it is just probable that he may yet locate in the Garden Province.

KENSINGTON FIRE SCARE.—Kensington was thrown into a furor of excitement one evening last week, when the fire bell was rung for a blaze on the roof of Mr. John Warren's steam mill. The volunteer department responded quickly with their small engine, but fire had been put out by a quickly organized bucket brigade. Kensington hasn't experienced a big fire for a number of years, and fondly hopes it will not receive a visit from the devastating element for many years to come.—The volunteer department has been very busy and quickness has been nipped many incipient fires in the bud—fighting the fire by the most primitive means. Now when there are more and larger wooden buildings in the town, it behooves each and every citizen to be watchful and adopt the "safety first" slogan.—K.

A WELCOME HOME.—Lieut. Morris received a royal welcome on his arrival in Summerside Tuesday in which everybody, young and old, joined heartily at the station. An imposing array of automobiles (to be exact, just thirty-four (34), were lined up, in the neighborhood of the platform; while on either side of them, a still longer line of school children, waving flags, awaited his coming. The band was well placed, and when the train whistle was sounded entering the town, there was a deafening tooting of auto horns which was surprise No. 1 for the hero of the evening, as he left the train. Lieut. Morris was escorted to the auto heading the procession, (that of Sheriff Wright), by Mr. A. S. McKay Head of the Recruiting and the Soldiers' Reception Committee; and it was just as he was seated with his parents, that turning round he was overcome with emotion, upon seeing the enormous crowd of children, autos, and citizens! At once the cheering started, with cries of "Welcome Home!" and the young Lieutenant sprang up, calling for "cheers for the boys at the front," which were given right heartily, the band played "When Jack Comes Back" and the procession started up through Water St. and on to the High School Grounds. Here splendid speeches were made by Premier Matheson, Hon. Justice Hazard, Mr. A. A. Lefurgey, Mr. A. S. McKay, Rev. Mr. White and Rev. Mr. Mitchell. All spoke words of welcome and eulogy to Lieut. Morris, while the addresses of Premier Matheson, Judge Hazard, and the two clergymen, were on broad lines of patriotism and service to the nation in this time of stress and struggle. The school children sang patriotic songs, and then Lieut. Morris made an earnest appeal to loyal men, to "sign up" without delay. The playing of the National Anthem by the band, and which was sung with enthusiasm concluded this fine "welcome home" celebration.

KENSINGTON SEEDING.—Seeding operations in this district are practically finished—it looks as if there is an appreciable increase in average sown with wheat and potatoes. Acreage of turnips and other root crops will show a slight increase. The people have followed the admonitions of the National Service bureau, and have planted more seed than will produce human food products wherever conditions made it possible.—K.

Mr. B. C. Bryenton, City, received the sad news by wire yesterday that his son, Earl, who left here several months ago for England, having joined the Army Service Corps succumbed to an attack of acute bronchitis. The news will be learned with a deep sense of regret by his numerous friends here. Deceased before enlisting was in charge of The Guardian's Mailing Department, a position of responsibility, which he filled with great satisfaction. A faithful employee and a lad of splendid character he will be greatly missed. Those who bereaved The Guardian extend sincere sympathy in their loss of a brave, loyal, whole-hearted boy.

FREE MASONS RETURN.—Messrs W. P. Doull, E. T. Carbonell, R. McDonald and J. M. Marley returned yesterday from Turro, where they attended the Annual Convocation of the Royal Arch Masons of Nova Scotia which includes Prince Edward Island and Newfoundland. Among the items of business transacted at the Convocation was the donation of \$400 to the Drovers for M. C. A., for the benefit of our soldiers in trenches, \$400 for the local Patriotic Fund, and \$200 to the Canadian Red Cross. These amounts supplement the sums of \$100 each to the British Red Cross, the Canadian Red Cross, the Patriotic Fund, and the Belgian Relief, contributed during the year by order of the Board of General Purposes, which action was highly approved by vote of the Grand Chapter. Mr. R. McDonald was elected one of Grand Stewards, and Mr. W. P. Doull, Conductor in the Order of High Priesthood. The Grand Lodge of Nova Scotia being also in session, was visited by the above named brethren and Mr. Benjamin Rogers, D. G. M. of Prince Edward Island.

KENSINGTON BUSINESS.—Kensington is a veritable hive of industry these days. The Bank of Nova Scotia business has doubted that of corresponding periods of other years. The hotels and livery businesses are thriving. The merchants report business doubled. The James Kennedy Estate Co. have inaugurated the cash system, which is meeting with unqualified success. The burning of half the business section of Summerside diverted a large amount of mercantile trade to Kensington. In "the eternal fitness of things" some one benefits by another's down fall and no doubt Kensington stands to benefit markedly reason of the Summerside fire. "It is an ill wind that blows nobody good". A large amount of produce has been shipped from here this spring and the farmers are richer by a considerable amount. The Kennedy Co. have installed an engine and grain elevator and grain crusher in their warehouse, which is somewhat of an innovation. This is the "age" of gasoline. The installation of the electric lighting system has been a great boon to the town. Mr. Ben MacFadyen has purchased the sample room of the Commercial Hotel property and is fitting it up for a general drug emporium. Mr. John Brennan has moved two buildings for T. W. Bentley to Mr. Bentley's property on Malpeque Street.—K.

AN EXCELLENT PUBLICATION.—The Canadian Pacific Railway Colonization and Development Department has just issued an attractive and most useful pamphlet on Improved Farms in Eastern Canada, telling where such farms are available and giving a description and the approximate value of each. A section of the pamphlet is devoted to each of the provinces from Ontario eastward, the section on Prince Edward Island, in which 101 farms are listed, having been prepared by Mr. J. E. B. McCready, Publicity Commissioner. The circulation of this pamphlet will do much to advertise the different provinces. "The object," as stated in a foreword, "is simply to place before prospective settlers a reliable list of improved farms at present available for settlement in the older settled portions of Canada and to give the homeseeker some idea of farm values in Eastern Canada." A preliminary edition of 10,000 copies has been printed and these will be distributed through the company's many offices and agencies in Canada, Great Britain, the United States and other countries. In giving such wide publicity to the fact that so many farms in settled communities are available, the company is placing within reach of those who wish to share in the increased production campaign an opportunity of doing so, and it is sincerely hoped that, through their laudable enterprise some of the many excellent farms now idle will in the near future, be adding their quota to the much needed food supply of the world.

TUCKETTS MARGUERITE THE 3 FOR A QUARTER CIGAR No mystery about Marguerites, just good tobacco and good workmanship.

NEW COMET IN SKY.—A gigantic comet, which has been engaging the attention of astronomers during the last year, is steadily drawing nearer to the sun and growing more visible as it approaches. According to statements by astronomers, the comet will from Ottawa telling that Dean, who has been eighteen months in the trenches, was killed—Cyrus, another bright boy died a few years ago. Much sympathy is expressed for the family.—K.

HORSE TRADE.—Much buying and selling of horses has taken place in the Kensington district lately. The demand for horses is good, and consequently prices are good. Some nice drivers and draught horses have been sold. Mr. Jos. Higgins recently disposed of a fine draught mare 4 years old weighing 1550 lbs to W. B. MacNeill of the King Edward stables Summerside. Mr. Higgins is a connoisseur in the breeding of draught and general purpose horses. He has the last two years and was taken sick about the time of closing for this year. Mr. Harrington's family has suffered considerably in loss of life during the last two years. Vernon, a promising boy, died of pneumonia, at the college term closed last year—a few days ago a telegram came from Ottawa telling that Dean, who has been eighteen months in the trenches, was killed—Cyrus, another bright boy died a few years ago. Much sympathy is expressed for the family.—K.

RETURNED FROM HOSPITAL.—Miss Millie Harrington, daughter of Mr. Peter Harrington, Norboro, who has been seriously ill in the Charlottetown Hospital returned to her home Monday. Miss Harrington has attended Prince of Wales College for the last two years and was taken sick about the time of closing for this year.

SUMMERSIDE SCHOOL MEETING.—Another meeting also held Wednesday night, was that of the Summerside School Board. This took place in the office of the Secretary, Miss Amy Burrows, the full board being in attendance. The reports handed in and read by the several committees, were highly satisfactory. There were applications from ten teachers, for positions on the teaching staff, made vacant by the resignation of two teachers, viz, Miss Bessie Carruthers, and Miss Helen Strou. Two young ladies, with excellent testimonials, were engaged, viz: Miss Sybil Peters, daughter of Mr. Fred. Peters, and Miss Mildred Silliphant, daughter of Mr. Levi Silliphant. The question of increased supplements was also gone into; and an increase was decided upon to be granted the teachers; with an increase of salary also, to be given to the janitor.
