
SIU MEMBERS WAITING FOR ORDERS

The day after their march to Ottawa, sailors of the Seafarers' International Union (IND) gathered to find out what their next move would be in protesting impending trusteeship of their union. A meeting of members at SIU headquarters in Montreal was postponed and the SIU executive went into a hurried meeting of their own. Late in the day it was announced the union had turned down a government back-to-work order. (CP Wirephoto)

CURRENCIES

MONTREAL (CP)—The U.S. dollar in terms of Canadian funds was unchanged at $1.0774. Pound sterling was unchanged at $3.0115.

NEW YORK

NEW YORK (AP)—Fear that the government may be starting another rollback in steel prices prompted nervous selling of steel shares Tuesday and the stock market declined sharply in heavy trading.

It was one of the biggest days this year on the New York Stock Exchange as volume swelled to 6,410,000 shares from 5,490,000 Monday. The ticker tape lagged continuously. Steels were clouded in big blocks at the start.

The hectic first hour produced volume of 1,880,000 shares which the exchange said was the largest since Oct. 19, 1937, when 2,200,000 shares changed hands in the first 60 minutes.

News that a federal grand jury in New York had subpoenaed records of major steel companies for a study of steel industry pricing methods came late Monday.

U.S. Steel was down more than 3 at the start and Youngstown Sheet 6, but these as well as other steel shares cut their losses. Selling spread from the steels to many other important groups.

Many issues in office equipment, electronics, photography and other fields rallied strongly after the initial setback.

The Dow Jones industrial average fell 5.10 to 747.21.

The Associated Press average of 60 stocks declined 1.3 to 260.0 with industrials down 2.5, rails down .3 and utilities down .3.

Chrysler was the most active issue, down 2¼ at 50¼ on 296,600 shares. U.S. Steel was second, off 2⅝ at 53⅝ on 216,100 shares. Third was Radio Corp., up ⅝ at 91¼ on 160,600 shares.

Among Canadian issues traded Hudson Bay rose ¼. McIntyre Porcupine dropped ⅝, Walker Gooderham and Aluminium Ltd. ¼, and International Nickel ⅛. Dome Mines eased ¼.

On the American Exchange prices moved generally lower. Canadian Javelin gained ⅜. Brazilian Traction, Preston, Jupiter Corp. and Scurry Rainbow Oil all dropped ⅛.

MONTREAL

MONTREAL (CP) — An uncertain atmosphere caused by labor trouble in Canada's shipping trade permeated the industrial and Canadian stock exchanges Tuesday.

Papers were hardest hit, falling 0.6 to 115.7. Moore dropped a point, Abitibi was down ⅝, B.C. Forest lost ½ and Great Lakes fell ¼.
