GENEROUS OFFER OF HARVARD ALUMNUS.

BOSTON, Mass., April 25—The mystery surrounding the identity of the Harvard alumnus who had offered $300,000 to build a new bridge over the Charles River as an approach to the stadium, was cleared today when it was learned from a reliable source that Lars Anderson, '88, of Brookline, was the man. The proposed bridge would replace the present structure which has been found inadequate to accommodate the crowds that flock annually to the stadium for the football and other games. Objections to the new bridge from the war department and a few property owners have been overcome, it is said, and an artistic approach to the big athletic field is now assured. Announcement that a Harvard alumnus had offered $300,000 for the purpose was made three years ago, but his name was kept secret until today.

...All amounts for Guardian advertising and subscriptions in Montague and vicinity should be paid to W. A. Johnstone agent, and in Souris and vicinity to A. J. McDonald, agent.

INTERNATIONAL COLLEGE ATHLETIC MEET

NEW HAVEN, Conn., April 25—Yale and Harvard are pressing the matter of an international athletic meet. They have found they can join forces and cross the Atlantic, if Oxford and Cambridge will meet them. The representation of the proposition to the Englishmen has been left to Yale and Harvard alumni who are in England. It is thought here that chances for an international match are brighter this season than at any time in years.

OTTAWA TAG DAY A GREAT SUCCESS.

OTTAWA, April 25—Ottawa had its first tag day on Saturday for the benefit of the three city hospitals, and it was a surprising success. Everybody wore a tag and nobody complained. While the total amount collected by the matrons and maids, who undertook the work of collection, is not yet officially known, it is estimated that it will reach at least $11,300.

It is customary for the organization to observe the day on the Sunday falling nearest the patron saint's anniversary.

Rev. Alexander Mann preached to the veterans and members of the order the dominant note of the address being universal peace.

GAS ON THE STOMACH

Relieved at Once by Father Morriscy's No. 11 Tablets.

Many people find that no matter how carefully they watch their diet and deny themselves this, that or the other favorite dish, still after every meal gas forms in the stomach and everything seems to turn sour.

Besides causing great discomfort, this condition makes it impossible to get the full benefit from the food eaten, and the body is continually starving with a full stomach.

Father Morriscy's No. 11 Tablets promptly relieves this and other stomach disorders. Each Tablet has the power of digesting a pound and three-quarters of food, so that even though the stomach may be in a very bad or weakened condition one tablet taken after each meal will insure proper digestion and prevent sourness, gas in the stomach, pain or discomfort.

The case of Miss Maggie Leahy, of West Franklin, Ont., is a sample of what Father Morriscy's No. 11 Tablets can do. Writing on Jan. 5th, 1910, she says:

"Your No. 11 Stomach Tablets suit my case exactly, as I am ever so much better since using them than I had been for the last seven years. I could hardly eat anything that would not turn sour on my stomach, or cause gas. My Doctor said it was Catarrh of the Stomach. I had no pain, but gas after eating. The first tablet I took gave me relief, and I am still continuing their use."

If you happen to eat a little too much for dinner, or something that does not agree with your Stomach, just take a No. 11 Tablet and you will feel all right in a few minutes.

If you have been troubled with Indigestion or Dyspepsia a course of Father Morriscy's No. 11 Tablets will soon put your stomach into a healthy condition again.

MRS P. B. STAVERT HAS PASSED AWA

Mrs. Stavert relect of Peter B. Stavert of Wilmot Valley passed quietly away on the early morning of Tuesday April 19th at the age of sixty-four years. During the past winter the deceased had had a number of ill turns but as the spring drew near her health apparently improved. On Sunday last she went out for a walk, ate her meals as usual and was in splendid spirits. Sunday evening she complained of a dull feeling in her head. About 11 p. m. she sank into a state of unconsciousness in which she continued until Tuesday morning about 1 a. m. when the spirit took its flight. The apparent cause of death was appoplexy.

Mrs Stavert was the eldest daughter of the late Robert Auld of Freetown and is survived by two sisters Mrs J. Davis Schurman of Freetown and Mrs Frank Lawson of Everett, Mass, and three brothers Daniel of San Barnardino, Cal., Joseph of "The Daily News" Burlington Vermont and Robert B. of Freetown.

The family of Mr and Mrs Stavert consisted of nine in all. Edison predeceased his father and mother some years. Eight are left and are now called upon to mourn the loss of a kind and loving mother. There are four daughters, Bertha, Annie, May and Nettie, and four sons, Rev R. Hensley, Fred Erskine, and Walter.

The deceased was widely and favorably known. Her name stood for all that was kind true and hospitable. To her home all comers received a hearty welcome, none needing help or sympathy were ever turned away unkindly. Her kind words and gentle manner will live long in the memory of those who had the pleasure of knowing her, while she will be missed by a large circle of friends, relatives and loved ones yet knowing that she has passed to a brighter and happier world beyond none could wish her unbound spirit back into bonds again.

Of her it may be truly said that "she being dead yet speaketh."

Her funeral which was a very large one was held on Thursday afternoon. The service was conducted by Rev M. H. MacIntosh, North Bedeque, assisted by Rev R. G. Strathie of Summerside and Rev Colin Townsend of Traveller's Rest. The Pall-bearers were Robert B. Auld, Thomas Stavert, Thomas McMurdo, Thomas Humphrey, Thomas Waugh and Wm G. Taylor. Interment was in the North Bedeque Cemetery.
