KANSAS CITY, Kan. (AP)—A farm worker used a pocketknife Tuesday to sever four fingers of the right hand which had been caught in a mechanical corn picker. He later was brought to the University of Kansas medical center here where he was reported in good condition Wednesday.

MARKETS and FINANCE

Montreal Stocks

MONTREAL (CP) — The stock market drifted to irregularly softer territory at the close Thursday, following a firm opening. Trading was moderately active at the final bell. Price movements ranged to as much as three points in some cases. The majority of changes, however, were limited to fractions. All six of the exchange's index averages dipped.

Pulp and paper issues made the strongest showing in light dealings. International Paper, Bathurst A, Bathurst B and Rolland gained a point or more. Southern Canada Power, Power Corporation and Shawinigan carried the utilities to lower ground. Beverages dipped. Senior oils, base metals and steels were shaded.

Price drifts in the mining section for the most part were confined within a 10-cent range either way. Advances and declines were about evenly divided. Western oils were mostly unchanged in quiet trading.

Toronto: Market moderately lower; business faster.

New York: Stocks lower; aircrafts higher.

Montreal: Industrials lower; trading slow.

N. Y. Stocks

NEW YORK (AP)—A recovery drive in the stock market was broken off Thursday by late selling that forced a moderately lower close.

The market's performance from star to finish was a display of moderation. Prices seldom got outside of a range of around two points either way, and changes generally were narrow at the end.

At the opening, the market continued its rise on modest volume. That trend lasted until late in the session when selling gradually clipped back the best gains and sent many leading stocks into the minus column at the close.

Aircrafts were higher throughout the day and had support from steels and motors, but these latter two divisions closed lower.

The Associated Press average of 60 stocks was off 20 cents at $165.60. Only the industrial component of the average was lower, down 40 cents, while rails and utilities held unchanged.

Canadian stocks were mixed. International Nickel and McIntyre advanced ¾ and Dome Mines gained ¼. Lower were Hiram Walker, off ½. Distillers Seagram, down ¼, and Canadian Pacific, off ⅛.

Royalite on the American stock exchange added ¼.

Toronto Stocks

TORONTO (CP)—Prices took a downward turn near the close of trading on the Toronto stock exchange Thursday after showing a hesitant improvement in earlier transactions. Business moved at a faster pace than in several recent sessions, but much of the trading interest was focussed on a few mining and western oil issues.

Noranda lost $1.50 and other senior base metals were mixed in a fractional range. Eureka traded a lively 320,000 shares for a 20-cent advance to $2.15, 17 cents below its best of the day. The warrants jumped 26 to $1.02. Glenn, Merrill, Granduc, United Keno and Sherritt slipped between 14 and 25 cents.

Uraniums and holding companies showed little change.

Active golds scoring penny improvements included Consolidated Halliwell, Sturgeon River and Broulan Reef.

Among western oils, lively trading pushed Midcon up 13 to 88 and Marigold up 5 to 55 after underwritings. Petrol was also active, gaining 12 to $1.80. Husky and Consolidated West Pete firmed 30-35 cents. Dome Exploration, Canadian Devonian and Bailey-Selburn were narrowly easier.
