Covehead Man Is Remanded After Testifying In Court

A further remand until May 31 was given Devear Lloyd MacDonald, charged with uttering a forged document, following the presentation of three more witnesses in city police court yesterday. Magistrate A.J. Trahan presided.

MacDonald, who is counselled by John P. Nicholson, is charged with uttering a forged document a cheque in the amount of $250, drawn on the Provincial Bank of Canada, payable to John Smith, in which the accused has pleaded not guilty. The case for the crown is being conducted by crown prosecutor Alan K. Scales.

DESCRIBED ACTIONS

The accused, in describing his actions on April 24, stated that he had been in Charlottetown early on that morning, and had then returned to a farm in York where he had been engaged in grading potatoes until about 2.30 p.m., when he had again come to the city.

Shown exhibit "A", the cheque which he is alleged to have uttered, the accused stated that he had never seen it before, and that he did not know anybody named John Smith.

MacDonald testified that he had been arrested at Charlottetown Airport on the morning of April 26, but had not been told that a warrant for arrest was in possession of the two policemen. He said that he had not been told why he was being placed in the cell block at city hall.

Under cross-examination, the accused said that he had not been in the Provincial Bank on April 24, but had been in the Bank of Commerce to conduct some business.

OTHER WITNESSES

The two other witnesses, Garfield Jay and Helena MacDonald, testified as having seen the accused, with his father, two brothers and some other men at the home of the father, where they had dinner on April 24.

Pleading not guilty to a charge of spoofing, Edgar Kenneth Roper, East Royalty, had his case adjourned until May 29. The testimony of the police officer stated that he had clocked the accused at 45 mph travelling east on Elmton Street, between Cumberland and Esher Streets, a 30 mph zone.

Mr. Nicholson, defence counsel, raised an objection based on the amendments to the Highway Traffic Act, passed at the last session of the Legislature in reference to speed limits. Mr. Nicholson stated the amendments made the present city by-laws invalid, and stated that to make it valid the by-law should be re-enacted by the City Council.

Magistrate Haslam, then adjourned the case for sentence, and requested Mr. Scales look into the matter of the validity of the by-law in light of the new amendments.

THEFT CHARGES

Two young Charlottetown men, James Garry Gormley and William D. Pilcher, pleaded guilty to the theft of live lobsters, valued under $50, the property of George Agnew, and were remanded for sentence until May 23. The accused are counselled by Lester P. O'Donnell.

Convicted of being drunk and disorderly, Maurice Darte, Charlottetown, was sentenced to 10 days in Queens County jail. A similar charge against Allison Hennessey, Charlottetown, was dismissed with costs. In a third case a like charge was withdrawn against William MacEwen, Charlottetown.

Four persons charged with being drunk and incapable two were each sentenced to 20 days in jail, another to 10 days, and fourth was placed in Riverside Hospital.

Free University Education Stressed By ND Candidates

New Democratic party candidates for Queens County, Wilfred Inman and Leo McIsaac said at a rally in North Rustico Monday night that there is a great need for free education in this technical age.

Mr. McIsaac said the party policy is to give all students a free education, right through university. This means, he stated, that there would be no more individual expense such as entrance fees.

Mr. Inman had challenged the Liberal and Conservative candidates for Queens to debate the issues, however neither of the parties were represented at the meeting.

Mr. McIsaac mentioned that the policies of the New Democratic party were originated with the members of the party. He stated the party was not dependent upon large donations but small amounts from many people.

The market policy includes maintaining the family farm and increasing the prosperity of the farmer through controlled marketing organization, Mr. Inman said.

Mr. McIsaac predicted a surprising outcome in Queens County.

S'side Man Is Found Guilty Of Theft; Gets 20 Days Jail

SUMMERSIDE — A 20-day term in Prince County jail was meted out to John Henry (Buddy) Richards, of Summerside, yesterday morning by Summerside Magistrate R.S. Hinton, Q.C. Richards was found guilty of theft of an iron, valued at less than $50, from Holmans of P.E.I. Ltd.

The accused also signed a recognizance in which he promised to keep the peace and stay away from the Summerside department store for a period of one year.

In appealing against a light sentence, Police Chief Peter White stated, "the man is a nuisance wherever he is and his appetite for liquor is so strong that he will go to any means to attain it".

Lester Yeo, of Enmore, charged with possession of stolen goods, in connection with the same incident, was granted an adjournment for one week, to consult a lawyer.

Eldon Casey, 17, of Summerside, was fined $25 and costs for what Police Chief White decribed as "driving in a very reckless manner".

The fines of $20 and costs were levied on persons charged with being intoxicated in a public place. One of the accused, John Muise, of Yarmouth, N.S., was given until six o'clock last evening to get out of town, in lieu of payment.

Labor Federation Urges NDP Vote

MONTREAL (CP)—The Quebec Labor Federation (CLC) has urged its 235,000 members to vote for New Democratic Party candidates in the June 18 federal election.

A directive asking membership support of the NDP will be mailed to the federation's 910 Quebec locals.

What types of businesses does IDB help finance?
Manufacturing and commercial businesses ... wholesale and retail trade ... primary and secondary industry ... tourist, recreational and service businesses ... construction trades ... professional services ... transportation ... these and other types of businesses can obtain financing for various purposes from the Industrial Development Bank.
If you are engaged in a business or plan to start one and required financing is not available elsewhere on reasonable terms and conditions, you are invited to visit an I.D.B. office, write for a descriptive booklet, or consult your auditor, lawyer or chartered banker for information regarding IDB services.

FOR THE LAND'S SAKE — LIME
Soil acidity slows down the decomposition of organic matter and reduces the yields and quality of hay and pasture.
LIME is the cheapest all-round soil conditioner on the market and should be applied to acid soil. It makes all major plant foods more available. Always remember, "HAVELOCK LIME WORKS". Shipped in carload lots of 30 tons or more, bagged or bulk. Order now from—
