N. Y. Stocks

NEW YORK, (AP)—The stock market pursued an irregularly higher course Tuesday after its strong push Monday into new high ground.

The market was featured by exceptionally wide advances in a long list of key issues, usually as a result of corporate developments.

Many others, however, were laggard in following along or actually moved lower.

Gains extended out to between 4 and 5 points while losses went to around 2 points.

Steels were strong and rails were weak. Aircrafts were clipped by profit-taking but large gains remained nevertheless. Oils were higher while chemicals were mixed. Motors were quietly mixed.

Volume diminished as the market milled around and came to 3,320,000 shares. That compares with 3,500,000 shares traded Monday.

Lower Canadian stocks included McIntyre, down ¼. Dome Mines and Distillers Seagram, each down ¼, and International Nickel, off ⅛. Hiram Walker advanced ⅛.

Lake Shore, Canadian issue on the American stock exchange, was ahead ⅛.
