GOLDEN ANNIVERSARY. — Tomorrow Mr. and Mrs. D. A. Bruce will have the honor to celebrate the golden anniversary of their wedding. The Guardian extends heartiest congratulations.

NORTH WILTSHIRE TELEPHONE. — In the annual meeting report of the above company, B. Easter \$3.50 should have read \$13.50. This error did not affect the total which still remains \$181.50.

GOING TO HONOLULU. — Major F. B. McRae recently left Honolulu on a business trip to Vancouver the interests of a large shipping firm. Major McRae will return to Honolulu as soon as business arrangements are completed.

CALEDONIAN CLUB CONCERT TO BE HELD IN HEARTZ MEMORIAL HALL. — Ticket holders and others will please note that the splendid concert being given by Prof. Thompson under the auspice of the Caledonian Club will be held in the Hertz Memorial Hall on Thursday, April 12, instead of in the Club rooms. 41

FIRST BOAT THIS SEASON. — On Saturday three energetic young men Messrs. Wesley McQuarrie, Charles McDougall and Charlie McDonald came down from Nine Mile Creek to Charlottetown in Mr. McQuarrie's speedy motor boat the Eagle which glided through clear water as if it were June instead of April 14th. The staunch little "Eagle" was the first motor launch seen on the river this season and therefore opening the season.

HIGH HANDED. — Surprise and disappointment were felt by officials and members of the Legislature on Friday at finding themselves locked out from the Provincial building. For the first time in history no admission was permitted to the building on a public holiday. Members of the Opposition had their papers and documents in their room and could not get access to them through this high handed action on the part of the Saunders' Government.

THE DANCE TONIGHT. — The usual Canadian Legion Easter Monday dance takes place tonight in the College Hall, and the committee in charge are endeavoring to give all in attendance a real good time. There has always been some difficulty in feeding the large number in attendance. To overcome this difficulty a supper coupon has been attached to each ticket and guests are asked to hold onto this coupon. At 11.15 the first call to supper will be made when those holding coupons 1 to 100 will be admitted to supper. At the end of 15 minutes another 100 will be admitted, and so on, until all have had supper. There will be plenty of refreshments for all, and the committee requests that those in attendance do all they can to make the supper arrangements a success by coming in proper turn.

Fragrant FLY-TOX is sure death to bedbugs. Demand FLY-TOX.

Bringing Up Father

# Millions of Years

Countless years ago, when the world was in the making, Peruvian Crude Petroleum acquired its peculiarly rich lubricating qualities. Stored for ages in the rich oil bearing sands of Peru, it came into use as a base for lubricating oil when the resources and equipment of IMPERIAL OIL LIMITED made Marvelube possible. IMPERIAL OIL alone controls Peruvian Crude production, and Peruvian

Crude alone is used in making Marvelube. The result is an inherently better oil of exclusive properties, an oil that fully meets all requirements of motor lubrication under all conditions of operation. Back of Marvelube are the experience, resources and integrity of IMPERIAL OIL LIMITED, for forty-seven years Canada's largest refiners of petroleum products.

# Marvelube

LET THIS CHART BE YOUR GUIDE  
There is a grade of Marvelube exactly suited to your motor's requirements. If your car is not listed on this abbreviated Chart, see the complete Marvelube Chart at any Marvelube dealer's

THE CHRISTENING of the yacht "Helen of Troy," by Miss Helen Field, is a unique occasion. Her smile, famous socially, retains its lustre through twice daily use of Pepsodent.

## Smiles Grow Dazzling White

If you remove "off-color" FILM from teeth IT'S been found that dingy teeth come simply from a film that forms on teeth. A stubborn film old-type dentifrices did not successfully remove. Thus brushing failed. Run your tongue across your teeth and you can feel that film now—a sort of slippery coating. It is an enemy of teeth and gums. It invites tooth decay, gum troubles and pyorrhea because it breeds bacteria. Now, in a new-type dentifrice called Pepsodent, a scientific combatant has been found. Its action is to curdle the film and remove it. Then teeth regain their gleaming whiteness. Leading dentists urge it. Drug-gists have it. Test sent free.

FREE Mail this for 10-Day Tube to THE PEPSODENT CO. Sec. AC-2819, 101 George St. Toronto 2, Ont., Canada. Pepsodent The New-Day Quality Dentifrice Endorsed by World's Dental Authorities. Only one tube to a family. 2519 Can.
