The Lord Nelson

MR. J. FRANK ARNETT.
Conservative Candidate for Prince
One of the most forceful and engaging personalities in politics today is Mr. J. Frank Arnett, Conservative Candidate for Prince. He has been a very successful business man, and yet has had time to devote to public affairs both in the town of Summerside and in the county. He has been an energetic member of the Town Council and a most popular mayor; and in all good work and matters of public interest he has borne more than an ordinary share. When the Conservative Convention offered him the nomination for the county he accepted the honor and responsibility fully realizing that it entailed great sacrifices and much arduous work on his part; and since then has nobly thrown himself into the conflict, with such zest and effectiveness, that his opponent has had to work as even he never worked before to avoid being completely snowed under.

HON. JOHN A. MACDONALD, CONSERVATIVE CANDIDATE FOR KINGS

In the last two Parliaments the Hon. John A. MacDonald was known at Ottawa as “The member for Prince Edward Island.” What this implied was that his was the only personality from the Province that impressed itself upon the House. He is held in the highest esteem and greatly respected on both sides of the House. It was no surprise in Ottawa when Mr. Meighen included Mr. MacDonald in his Government, as he was one of the outstanding men from the Maritime Provinces then at Ottawa. Mr. MacDonald, never-the-less, is of a retiring disposition. He is not a self-advertiser, and prefers to pursue his even terms, working for his constituency, province and county, steadily, regularly and unostentatiously. He has been in politics since the days of his youth, and was one of the stalwarts that represented King’s County in the Provincial arena along with such political giants as the Hon. J. A. Mathieson and the Hon. John MacLean. He has been in opposition and in the government in both the local legislature and in the Dominion House. In business he is a merchant at Cardigan, known well and widely locally and wherever farm produce is in demand. His word is as good as his bond, he being known in local politics as “John A., the promise keeper.”
