MARKETS and FINANCE

By THE CANADIAN PRESS

Toronto: Prices improve modestly; Industrials lead advance.
New York: Stocks higher; quiet advance.
Montreal: Market slightly higher trading dull.

Montreal Stocks

MONTREAL (CP) — Pulp and paper issues spearheaded an industrial drive to slightly firmer territory at the close of a comparatively dull session on the stock market Wednesday. Price movements were narrow in most instances. The market was buoyant at the outset but gave ground as the session progressed.

The industrial index increased 1.4 to 293.5, before easing to 293.0. Mines were generally lower in a 5-cent range in featureless trading.

Eddy Paper A, Donohue and International Paper chalked up fair-sized gains, in the pulp and paper classification. The majority of senior oils, paced by McColl, showed fractional improvement. Algoma, up 3 points, was a standout in an irregular steel section. Utilities were mixed in a narrow range. Beverages were mostly lower. Banks dipped. Rail equipments were steady to a bit easier. There were few price variations in the base metals, carriers, construction and textiles. Western oils were quiet and firm.

N. Y. Stocks

NEW YORK (AP)—The stock market made a strong advance Wednesday, its second straight since the big Monday break.

The rise was accomplished on light volume. Business came to only 1,920,000 shares, lowest in a month.

Prices were well ahead at the opening, and continued to expand their advantage until late in the day. Selling came into the market in the final hour. Prices dropped back from their peaks, and a few leaders ended with small fractional gains or losses.

On the higher side of the market were plus signs of 1 to 3 points at the best while losses of 1 to 2 points were shown.

Steels and motors took over leadership at the start, and these two divisions had a major share during the strongest part of the advance. Motors faded at the close. Aircrafts, oils and railroads finished well with some of the best gains in the list.

The Associated Press average of 60 stocks was ahead $1.10 at $171.10. It was up 50 cents Tuesday.

The industrial component was up $1.70, railroads were up 80 cents, and utilities were ahead 30 cents.

Canadian issues were dull. Canadian Pacific gained ⅛ while International Nickel lost ⅝. The others were either unchanged or unquoted.

On the American stock exchange, Lake Shore gained ⅛ and Royalite Oil ¼ while Giant Yellowknife eased ¼.
