The following Address emanating from a large number of the Merchants, and others, Inhabitants of Charlottetown, was presented—by a deputation appointed for that purpose—to the Hon. G. R. Goodman, Controller of Her Majesty's Customs at this Port, on Tuesday evening last, previous to his departure for England on the following day:—

Prince Edward Island,
Charlottown, 14th November, 1854.

To the Hon. George R. Goodman, Controller of Customs, &c. &c. &c.

SIR,

The Undersigned perceiving that you are shortly about to depart, with your family, from this Colony, cannot allow you to leave without an adequate expression of the feeling we entertain for your character, as a gentleman, in both public and private life.

The approaching termination of the existence of the office you now fill, of Controller of Her Majesty's Customs and Navigation Laws, in this Island, will witness the close also of a period of more than thirty-five years that you have dwelt amongst us, while serving Her Majesty in that Department. For nearly the whole of that time many of us have been intimately acquainted with you—the greater number of us for long portions of it—and we feel assured that few persons, if any, could have discharged your official duties in a more complete and efficient manner, or with greater advantage or satisfaction to the public, than you have uniformly done.

By your removal from the Colony we much regret that we will lose a highly esteemed and hospitable member of society; and whether your destination may render your absence of a limited or permanent duration, be assured that you carry with you our most cordial wishes for the happiness of yourself and your amiable family.

We are, dear Sir,
Very faithfully yours,

[REPLY:]
CHARLOTTETOWN, P. E. ISLAND,
14th November, 1854.

GENTLEMEN;

I am at a loss to express the gratification I feel at the honor you have done me in presenting this Address. I assure you it is valued by me as you could wish. It will be to me a mark of that kindness I have so often experienced from you.

That I have been enabled, during my long official life, to discharge my duties in harmony with the public, is a source of much satisfaction to me; and must in a great degree be attributed to the correct manner in which my mercantile friends have transacted their business at my office.

I thank you most sincerely for the kind wishes you express for the future welfare of myself and family. If circumstances permit, I shall return to your Society with the greatest pleasure. If my absence should be of a permanent duration, I shall ever feel the warmest interest in the welfare of my Island friends.

I am, Gentlemen, very respectfully,
Your most obedient servant,
GEORGE R. GOODMAN.

Chief Justice, and others.

DR. M'LANE'S VERMIFUGE.

☞ During a practice of more than twenty years, Dr. McLane had attended innumerable patients afflicted with every form of worm disease, and was induced to apply all the energies of his mind to the discovery of a vermifuge, or worm destroyer, certain of its effects; the result of his labors is the American Worm Specific, now before the public, which is perfectly safe, and may be given alike to children of the most tender age, or to the aged adult; it purges mildly and subdues fever, and destroys worms with invariable success. It is easy of administration, and as it does not contain mercury in any form whatever, no restrictions are necessary with regard to drinking cold water, nor is it capable of doing the least injury to the tenderest infant. An incredible number of worms have been expelled by this great vermifuge.

☞ Purchasers will please be careful to ask for Dr. McLane's Celebrated Vermifuge, and take none else. All other Vermifuges, in comparison, are worthless. Dr. M'Lane's genuine Vermifuge, also his Celebrated Liver Pills can now be had at all respectable Drug Stores in the United States and Canada.
