West German Pilots Decide Against Suez

HAMBURG, West Germany (Reuters)—Twenty West German canal pilots have decided not to go to Egypt upon hearing reports from two of their colleagues, shipping sources said Saturday.

Pilots Werner Querbeck and Johan Boehther, who returned to Hamburg last Wednesday, said the 40 Egyptian pilots operating the Suez Canal together with a handful of volunteer foreign pilots were "managing very well." The two men were not so favorably impressed with working conditions and the pay offered.

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto: Market suffers heaviest loss of year in light trading.

New York: Stocks lower; tobaccos and aluminums weak.

Montreal: Market sharply lower in quiet trading.

Currencies

MONTREAL (CP) — The U.S. dollar Monday closed at a discount of 2 19-32 per cent in terms of Canadian funds, down 1-16. Pound sterling $2.71¼, unchanged.

Toronto Stocks

TORONTO (CP) — The stock market plunged to its sharpest decline of the year today as a heavy selling wave cut a wide path across the board. Golds, with an index loss of more than a point, touched a new low of 78.26 for 1955 and 1956.

Losses outnumbered gains almost four-to-one.

Monday was the first for the new hours of trading. This month the market opens at 9 a.m. EST (10 a.m. AST) and closes at 2:30 p.m. EST (3:30 p.m. AST). The switch was made to conform with New York, which remains on daylight time for the rest of the month while Canada is back on Standard time.

Observers said there was no single cause for the drastic decline but said it was a combinational of the tight money situation, the political uncertainty in the United States and the crisis in the Middle East which supplied investors with reasons for going on a selling spree.

International Nickel dropped 4½ points in senior base metals and Noranda was off 1½ points. Copper and junior mining issues had losses ranging to 35 cents. Coldstream Copper, however, gained eight cents in active trading with reports of further drilling on its Shebandowan property. Consolidated Halliwell also gained some ground in coppers.

Coppers and Edmonton fell almost three points among senior western oils while junior losses ranged to 30 cents.
