NEW YORK

NEW YORK (AP)—The stock market backed away a bit from its new 1957 high Tuesday in fairly active trading.

Key issues dropped fractions to about two points. But there was a sprinkling of gainers among the pivotal stocks.

Rails, which have been well behind the soaring industrials in the recent advance, had a rally of their own, making gains of as much as a point or so.

The Associated Press average of 60 stocks dipped 30 cents to $186.80 with the industrials down $1.10, the rails up 90 cents and the utilities down 20 cents.

Canadian issues did not escape the profit-taking on the New York exchange. McIntyre Porcupine was off 2½; International Nickel 2¼ and Hudson Bay Mining and Walker - Gooderham one point each. Aluminium Ltd. lost ¾.

Canadian stocks were quiet on the American exchange. Jupiter oils was off 1-16 on a block of 4,700 and Richwell lost 1-16 on 800 shares.
