SUMMARY

By THE CANADIAN PRESS

Toronto — Market higher; trading light.

New York—Irregularly lower; active trading.

Montreal — Market mixed; trading moderately active.

CURRENCIES

MONTREAL (CP)—The closing bid on the U.S. dollar in terms of Canadian funds was $1.07¾, the asked $1.07 13-16. Wednesday the closing bid was $1.07 25-32, the asked $1.07 13-16.

NEW YORK

NEW YORK (AP)—The stock market, stubbornly trying to make its 10th clear-cut advance in 13 sessions, found the going a bit tough Thursday and had an irregular decline. Trading was heavy.

The bullish drive prevailed over increasing opposition most of the day, but a final selling wave reversed the trend and sent the list to a moderate loss.

The ticker tape was late occasionally and volume totalled 5,050,000 shares compared with 5,090,000 Wednesday.

Analysts saw the decline as another normal correction of an up-trend which still seemed to have plenty of power judging by the duration of the day-to-day rally and the stubborness with which the market accepted Thursday's setback.

Coppers carved out some good gains, possibly affected by Anaconda's sharp rise in profits.

The Dow Jones industrial average declined 1.34 to 629.14.

The Associated Press average was off a moderate .5 at 231.8.

International Nickel (ex-dividend) was up 1¼.

Among other Canadian issues, Hudson Bay Mining gained ½ and Distillers Seagrams and Granby Mining ¼ apiece. Aluminium Ltd. dropped ⅝ and Walker Gooderham ½.

Prices on the American Exchange were mixed, with gainers slightly more numerous than losers. Volume was 1,180,000 shares compared with 1,260,000 Wednesday. Shawinigan rose ¼, Scurry Rainbow Oil ⅛. Preston fell 3-16.
