BROKEN DIKES ARE RESTORED

Dike workers at St. Jean Baptiste, 46 miles south of Winnipeg, used all available resources Sunday to reinforce sections of dikes around the town that were weakened by high waters. One section gave way Sunday morning, flooding about 15 homes in the besieged community. However, by Monday the situation was improved and the worst of the danger was believed past. Winds had subsided. Earlier waves were helping drive water over the top of the dikes. (CP Wirephoto).

NEW YORK

NEW YORK (AP)—The stock market took a fairly sharp loss Monday as profit-taking held sway over recently-strong issues.

Volume was 9,160,000 shares compared with 10,300,000 Friday. The Dow Jones industrial average declined 5.79 to 941.98.

Coppers, color televisions, other electronics, office equipments, aerospace issues, airlines and a wide variety of other issues were the victims.

Coppers, which provided solid group leadership in last week's rising market, were cut back drastically in price on speculation that Chile's big advance in the export price of copper may help producers of aluminum and other copper substitutes. A question remained also as to whether Zambia would go along with the Chilean price boost.

Roan Selection Trust, which was strong in the stock market last week, was delayed in opening because of an accumulation of sell orders. The Zambian copper producer was the most active stock, off ¾ at 13⅞ on 406,700 shares.

BOEING STILL AHEAD

Boeing, in early trading, continued to show some residual response to the big order from Pan American for Jumbo jets, but it ended with a rise of only ½. Pan Am sank ¾.

The Associated Press average of 60 stocks fell 1.9 to 348.6. Standard and Poor's 500 stock index fell 41 to 91.58.

Among Canadian stocks, McIntyre Porcupine rose more than a point. Aluminium Ltd. and Dome Mines were up ½. Granby Mining lost 1¾, and Canadian Pacific ⅜.

Prices were irregularly lower on the American Stock Exchange. Preston Mines finished ⅞ higher and Scurry Rainbow Oil was up 1¾. Fargo Oil gained 3-16. Off ¼ were Canadian Javelin and Jupiter Corp.
