NEW YORK (AP) — Higher prices came back to the stock market Wednesday after two days of decline.

Steel shares led the swing to the upside and in the afternoon rails took over the leadership. Prices at the close generally were below the best levels of the day but advances of one to two points and more were fairly frequent.

In addition to steels and rails, groups showing a majority of plus signs included rubbers, distillers, coppers, chemicals, electrical equipments, oils and motion pictures.

The Associated Press average of 60 stocks moved up $1.20 to $177.20. Industrials gained $1.40, rails $1.60 and utilities 10 cents.

Trading in rails was dominated by Canadian Pacific, which gained 1¼ at 34 7-8.

Canadian issues were mixed. Distillers Seagram added 1¼, Dome Mines gained ¼ and Hiram Walker was up ⅛. International Nickel fell ¼ and McIntyre remained unchanged.

On the American stock exchange Lake Shore and Royalite Oil both remained unchanged and Giant Yellowknife was up ⅛.
