## HALL MFG. CO. NEWS

Our inventory of used spreaders is small; than it has been for a long time at this time of year, and we are interested in your used spreader. We would suggest that you come in and see our complete line of spreaders. We have a great many models to choose from. Our complete line of nine different models are all in a class by themselves. Each one carries a full year guarantee. This is your protection in buying New Idea spreaders.

We were also fortunate in procuring the Burch line of cultivators and disc harrows. This line also comes to us with the highest recommendation. We have them in both 3-pt. hitch and drawbar, in widths of from 7' to 14' wide. A carload has just been received and we are now setting them up.

We again call your attention to our service and parts departments which we believe is second to none this side of Montreal. Our inventory of parts now runs close to one hundred thousand dollars. In addition, we have a service car which is at our customers disposal at all times.

Think this over when making your purchase for equipment, we know it will pay dividends in time saved.

## OBITUARY

Inserted by the Family.

**JOHN GORDON MORRISON**

The sudden death of John Gordon Morrison, Hampton, as the result of a highway accident, occurred on the morning of December 18, 1963, and brought intense grief to the people of Hampton and of many communities. The tragedy took place in the midst of preparations for a Christmas Concert in which he took along with other pre-school children was to have had a part with the older children.

John, the fourth child of Mr. and Mrs. James (Bud) Morrison, was born on October 17, 1958, and in his short life endeared himself to all who knew him. By his gentle and loving ways and by his ability and maturity, which seemed remarkable for his age. Besides his parents, John is sadly missed but lovingly remembered by six sisters and one brother; by grandparents and by teachers and pupils of Hampton Sunday School, which he attended regularly.

The funeral was held from Hampton United Church on Sunday, December 22, and was conducted by the minister, Rev. Bryer B. Jones, and Rev. Raymond Gillis. The hymns "Jesus Loves Me" and "Away In a Manger" were sung. Organist was Mrs. Allison Lea. Interment was in Floral Hills Memorial Gardens.

"In Heaven, the angels of the Little ones do always behold The face of the Father."
