NEW YORK

NEW YORK (AP)—The stock market dragged this morning in another slow session Tuesday as Wall Street failed to get any message from the cloudy crystal ball of international affairs.

Volume remained at a subnormal 3,460,000 shares, not much increase over Monday's 3,050,000.

Continued doubt over what the trend of events will be in Southeast Asia, The Congo and Cyprus put a damper on the day.

The Dow Jones industrial average took a loss of 1.27 at 828.08. The Associated Press average of 60 stocks declined .4 to 319.9.

Caterpillar Tractor was the volume leader, rising ¼ to 32⅞ on 85,300 shares.

As copper commodity future prices hit the highest levels since 1956, copper stocks continued their advance. The world supply of copper was being squeezed further by a rail strike which caused two African copper producers to suspend shipments.

The second most active stock, Texas Gulf Sulphur, which has rich copper holdings in Ontario rose ½ to 54 on 78,400 shares.

Pan American World Airways was third most active, off ⅞ at 39¼ on 47,500 shares. Another airline hit by selling was Eastern which slumped 1⅜.

Jones and Laughlin, up 1⅛, was prominent among leading steels, most of which added fractions.

On the Canadian list Walker Gooderham was down ½ and Granby Mining ⅜ while International Nickel and Dome Mines took losses of ⅛ each. Aluminium Ltd. was ahead ¼.

Prices were irregularly higher in quiet trading on the American Exchange. Syntex Rainbow Oil was down ⅝, Canadian Javelin ⅝ and Jupiter Corp. ¼. Molybdenite and Fargo Oil added 1-16 each.
