NEW YORK

NEW YORK (AP)—The stock market sagged irregularly Monday despite strength in rails and selected blue chips. Trading was quiet.

It was another big day for Texas Gulf Sulphur as enthusiasm continued over its potash find near Timmins, Ont. The Toronto stock market had another wild session based on buying in the potash properties nearby.

The rails were the take-heart from a White House statement that Defence officials have begun some definite gains in negotiations aimed at averting a U.S.-wide rail strike Wednesday by non-operating employees.

The market was mixed most of the day but toward the end there was some increase in the number of issues declining as results were a small decline on balance from the historic highs reached Friday.

The Dow Jones industrial average was off 2.79 at 824.54. Of 1,356 issues traded, 582 fell and 497 rose.

Volume was 5,576,000 shares compared with 6,030,000 Friday.

The Associated Press average of 60 stocks fell 0.7 to 300.4.

OPENING DELAYED

Texas Gulf Sulphur was delayed in opening for nearly an hour and then sold on initial blocks of 100 and 200 10,000 shares. It repeated its role as most active stock, rising 2 to 42½ on 376,000 shares.

Curtis Publishing, whose management issued a statement boosting the company's fund holdings near Toronto, was off first, unchanged with buyers and delayed in opening for nearly three hours. Trading resumed at 12½ on a flurry of consecutive blocks of 120,000 and 10,000 shares.

Trading was heavy in the stock during the afternoon in a flood of buy orders. It ended unchanged at 12 on 1,000 shares.

Curtis was second most active stock in total volume of 253,300 shares.

Third on the list of volume leaders was Chrysler, down 1¼ at 45¼ on 102,000 shares.

Next came American Telephone, up 1¼ at 144, and Sperry Rand, off ⅝ at 16⅝.

Lagged by Tobacco

Tobacco I, Ligett and Myers and Reynolds fractions.

Most airlines also lost ground. Consolidated Airways, Delta, American, off 1¼, Delta, off 2⅝ and Braniff, off ½.

Curtis Publishing preferred rose 2¼ on 1,300 shares. The "B" issue gained ⅜. Trading was halted in these also.

Although steel production was reported up, steel stocks held issues were mostly lower. The same pattern prevailed among motors.

Among Canadian issues traded, Walker Goodsham and Worts lost ¼ and Hudson Bay Mining & Smelting, off ½, and St. Gravity Mining ½ and Dome Mines ⅝.

Prices on the American exchange were mixed. Canadian issues with Canadian Javelin gained ¼, Molybdenite 1-16, Fargo Oil ⅛ and Pitch ⅛ and Sequoia Rainbow Oil ½. Brazilian Traction lost ¼.
