If Goods Could Speak

Your Hat

What a tale they could tell. They do speak. The dress you wear tells you every day what sort of a store sold it. The furniture you live with, the curtains, the china on your table—all speak for good, or bad or perhaps in different service on the part of some one.

How loudly a tasteless piece of work cries out against the milliner who designed, and made it. So very many hats going out from this store every day—every one to speak well or ill of us. You may be sure that we do all we know to have our work speak loudly in our favor. We have employed an artist in our millinery workroom, in the person of our milliner.

Miss Dunbar

She is sending out every day millinery designs in which good taste, style, and originality combine with moderate prices in such a way as to make the results most attractive. If you want a hat that is made FOR YOU, and that will look better on you than on anyone else, you will need to leave your order here.

There is a Bite

To the weather these days that will serve to remind you that the days are at hand when warm woolen underwear forms the most interesting proposition that we can place before any man or woman who has to buy for a man.

Underwear For Men

Forms one of our best departments. People say that we have the most complete and elaborate stock of this sort in the city. There are more different kinds here, and a better assortment of each kind than you will find in most stores. Of course we sell underwear of all prices. We have very fair underwear as low as 50 cents a suit. We have good warm fleece lined underwear at 90 cents per suit, we have good 16 ounce wool underwear, ribbed at \$1.00 per suit.

But the kinds we want to tell you about are the better goods. Stanfield's Unshrinkable \$2.00 per suit. Stanfield's " " \$3.00 per suit. We need not say much of these, you know how good they are. Only need to remind you that the prices are low here.

Then there is a line of a wool, unshrinkable goods, woven of doubled and twisted yarn. \$2.90 per suit. "Wright's Health" wool fleeced \$3.10 per suit.

The heavy warm Scotch wool \$4.30 per suit.

Famous "Wo'sey" Brand \$4.50 per suit.

And so on in many styles up to \$7.00 per suit.
