I. Finding his disease growing worse he decided yesterday to visit Boston for medical aid. He grew worse on his way, and arrived here in such a state of prostration as to leave little hope of his recovery..... After reaching Boston, Dr. Bigelow and his son were immediately called to him and exerted their utmost skill to combat the terrible disease which was seriously fastening on him; but notwithstanding all their exertions he grew gradually weaker and his pulse continued to sink until the hour of his death.....Flags on public buildings of the city are at half-mast in honor of the distinguished dead.

Sandfield Macdonald is certain to be supported, and relies on a majority of 10 to 15..... The Conservatives have lost Beance, where Pozer had been elected for both Houses..... Last election takes place on the 20th, in both Ontario and Quebec.....It is estimated that the General Government will have a majority of from 80 to 90. The estimate may be relied on.

TERRIBLE CATASTROPHE ON LAKE ONTARIO.—A terrible catastrophe occurred last Tuesday afternoon on Lake Ontario, about 20 rods from the Iron Works Dock, in the town of Ontario, Wayne County. A pleasure party of 14 young persons were taking a ride on the lake in a sail boat, and on attempting to turn the boat towards the shore, it was capsized, and nine of the party were drowned, of whom six were girls and three boys. The bodies have not yet been recovered.

The schooner yacht *Kate Darling*, was stole from Hogan's Wharf some time during the night of Monday last, and has not been recovered. It is supposed that she was taken by a sailor who was recently heard to say he should like to have possession of the little vessel in order that he might proceed to P. E. Island, and place ship for England. This supposition is strengthened by the fact that the sailor in question is missing.—*Halifax British Colonist. Sept. 19.*

DEATHS BY DROWNING.—It is with sincere regret that we have to record the death by drowning of Mr. Joseph Chasson, of Tignish, which occurred on the 12th inst., off Sea Cow Pond. The wind was blowing fresh at the time, and the weather should of the foremast being considered weak and unsafe, the deceased went forward and very incontinently tested its strength by pulling on it in an outward direction, when the rope gave way and he was precipitated into the water. The boat being under a foresail only at the time it was difficult to get her about; and though efforts were made to save the unfortunate young man by throwing over pieces of board, &c., they were unavailing, and before the boat could be brought about he had sunk to a watery grave. The deceased was a young man of good character, industrious habits, and leaves a wife and three children. His age was about 32 years. His body at last accounts had not been recovered. We deeply sympathise with his bereaved family and friends in their affliction.

It is our painful duty to record yet another death by drowning, which occurred on the 7th inst. A fine, promising lad of 17 years of age named Peter Ahern (son of Mr Patrick Ahern, of Kildare) went, with a younger companion to bathe in a creek which empties into the Kildare River. After swimming for some time, they came out of the water, when young Ahern said he would swim across and back once more; but when near the middle of the Creek he was seized with what appeared to be a cramp and he sunk, and was drowned before assistance could reach him. We sincerely sympathize with his bereaved parents in their loss, and the heavy affliction which it entails.—*Summerside Progress, Sept. 23.*

We are informed that His Excellency Governor Dundas received a telegram last evening announcing the melancholy intelligence that Sir Frederick Bruce, the British Minister at Washington, had died suddenly on that morning.—*Islander.*

We learn that one of the Charlottetown Mechanics' Fishing Company's vessels (uninsured) with sixty barrels of mackerel on board, was wrecked on a sand bar on the North Shore, off Tracadie, on Friday night last.—*Ibr.*

RAILWAY ACCIDENT.—We learn that a young man named Morrison, who took passage from Georgetown to Pictou in the *Heather Belle* on Monday last, was run over by the train at New Glasgow, about two hours after landing from the steamer, and was completely severed in two halves.—*Ib.*

GEORGE DUNDAS, Lieut. Governor.

WHEREAS His Worship the Mayor of the City of Charlottetown hath, on account of the recent fires which have taken place in this City, and which are supposed to be the work of Incendiaries, expressed to me his apprehension of impending danger from Incendiarism to this City, and his desire that a suitable reward be offered for the detection and punishment of any person or persons who shall hereafter be guilty of any act or acts of Incendiarism: I have thought fit, by and with the advice and consent of Her Majesty's Council, to proclaim, and I do hereby proclaim and offer a Reward of ONE HUNDRED POUNDS to any person or persons (not the actual party to the act) who will give such information and evidence as will lead to the discovery, apprehension and conviction of any person or persons who shall hereafter be guilty of any act or acts of Incendiarism.

Given under my hand and the Great Seal of this Island, at Charlottetown, in the said Island, this Fourth day of September, in the year of our Lord One thousand eight hundred and sixty-seven, and in the thirty-first year of Her Majesty's reign.

Prince Edward Island.

IN CHANCERY.

Re Mark Nathaniel Wright, George Dudley Wright, Margaret Theodora Wright, Matilda Ann Wright, Martha Maria Wright, and Isabel Christiana Wright, Infants, by Betsy M. Wright, their Guardian.

IN pursuance of a Decretal Order, made by His Honor the Master of the Rolls, in this cause, bearing date the 20th day of August last, there will be sold by PUBLIC AUCTION, on the Premises, at Dunk River, in Prince County, in this Island, on WEDNESDAY, the sixth day of NOVEMBER next, at the hour of 12 o'clock, noon, all that valuable Freehold Farm, or tract of Land, situate on Township No 26, containing 129 acres, a little more or less, with the Messuage, Mills, Buildings and appurtenances to the same belonging, of which George M. Wright, the father of the above named infants, lately died seized and possessed.

The Farm and Premises above mentioned are situated on the Main Road, between Somerset (formerly South-west settlement) and Freetown, Bedeque; having a frontage of 125 chains on the said Road, and being 10 chains in breadth, a little more or less.

The land is of superior quality, about sixty acres of which are cleared and in a good state for cultivation, the residue being covered with a fine growth of hard and soft wood. The principal Dwelling House, a 1½ storey building, is 34 by 28 feet, with a kitchen in the rear 25 by 18 feet; contiguous to which are Wood House, Carriage House, Stables, Workshop and Barn, the latter 45 by 30 feet. The Mills comprising a very superior Grist Mill (with 3 pairs runners), Shingle, Saw and Carding Mills, are propelled by a powerful stream; and their situation for business purposes is considered to be unequalled in the Island. The property will be offered in three separate lots or sections. One lot comprising the Mills, with a Cottage, 20 by 18 feet, and a Workshop 18 by 15 feet, for the use of a Miller, with 25 acres of Land attached. The second lot will comprise the Farm proper, consisting of about 75 acres, with the Dwelling House and other Buildings above described; and the remaining 25 acres, being the northern section of the tract, and all cleared, will form the third lot.

Should intending purchasers prefer it, the whole property will be sold in one Lot.

TERMS—Ten per cent of the purchase money to be paid down at the time of sale, and the residue of one-third of the purchase money, 23⅓ per cent, upon the execution of the Deeds. The remaining two-thirds to be secured by Mortgage on the premises, in manner more definitely to be expressed in the conditions of Sale.

Dated at Charlottetown, this 10th day of September, 1867.

Master in Chancery.
