Toronto: Market mixed to slightly lower; moderate trading.

New York: Market slightly higher; moderate trading.

Montreal: Market fractionally lower; extremely active trading.

CURRENCIES

MONTREAL (CP) — United States dollar in terms of Canadian funds down 1-32 at $1.08 1-32

NEW YORK

NEW YORK (AP)—Some of the red hot mineral issues cooled off Friday as the stock market went through a mixed session with selective gains by blue chips late in the day. Trading slackened.

Texas Gulf Sulphur resumed its role as the most active stock, losing ⅝ at 54⅞ on 297,800 shares as additional profits were taken.

Thursday's hero in the current vogue for resource discoveries, Occidental Petroleum, slipped to second most active and lost 1½ at 31⅝ on 162,800 shares.

Many traders were apparently taking no chances that the current hunger for stocks with stories such as Texas Gulf's phenomenal discovery would survive the weekend.

A selective return to some of the blue chips in late trading was the response to the coin as profits cashed on speculative gains were put into higher quality issues.

HIGHER, LOWER

International Harvester rose 2. Caterpillar 1, IBM 2, Eastman Kodak 1¼ and Standard Oil (New Jersey) ¾. The return to blue chips, however, was not in the nature of a broad swing.

Advances by several "big stocks," was enough to give the Dow Jones industrial average an advance of 1.07 at 820.67.

The Associated Press average of 60 stocks closed unchanged at 306.8.

Volume was down to 4,659,000 shares from Thursday's fairly active 5,370,000.

Texas Pacific Land's chairman delayed reports he had had land adjacent to that on which U.S. Smelting made a major copper discovery in New Mexico. Texas Pacific declined ⅝.

STOCK FALLS ¾

Kerr-McGee Oil said it holds mining claims near the U.S Smelting property but that the knowledge of how significant this might be. The stock fell ¾.

Pure Oil, apparently affected again by rumors of merger or takeover, advanced 1⅝ to 53½ on 70,400 shares, making it third most active. Next in volume came Chrysler, up ¼ at 47⅞.

Trans - World Airlines advanced 2¾ on news that it had turned in a profit for the first four months against a loss a year ago. TWA's performance undoubtedly spread some new newed lustre over other airline stocks.

Canadian Pacific was actively traded and up 2, possibly on the strength of its land holdings. Elsewhere on the Canadian section Granby Mining moved ahead 1⅝ and McIntyre Porcupine ¼. Distillers Seagrams was off 1. Dome Mines and Hudson Bay ½ ea.

Prices rose irregularly on the American Exchange. Jupiter Corp. added ¼ while gains of ⅛ each were shown by Canadian Marconi, Preston and Scurry Rainbow Oil. Molybdenite eased 1-16.

Total Sales: Industrials 218,546, mines and oils 856,336.

TORONTO

TORONTO (CP)—Prices were mixed on the stock market Friday as investors apparently could not make up their minds whether to buy or sell.

Industrials took a small index loss although there was a handful of good performances in the list. Base metals took an almost negligible setback while western oils and golds made some headway

Trading remained on the light side with 4,703,000 shares crossing the tape compared with 4,787,000 shares traded Thursday.

Base metals were led lower by Inco and Falconbridge, the world's top nickel producers which lost ¼ and ¼ to 85⅞ and 72¾ respectively. Noranda was down ½ to 47¾.

Among speculatives MacDonald gained five cents to 24, Parmaque 1½ to 26 and Gulf Lead two cents to 23 cents. Genex was down one cent to 27.

CPR OUTSTANDING

CPR was the outstanding industrial as it gained 1¾ to 46½. Dominion Textile added $1 to 26¼, a 1964 high, and Versatile Manufacturing 1¼ to 10½. Earlier this year Versatile, a lightly traded issue, sold as low as 7⅝.

Losses of $1 to Interprovincial Pipe Line and Distillers Seagram at 84 and 56¾, respectively, were the main reasons the industrial index showed a minus sign. Banks were soft. Losses, however, were restricted to ½. Massey-Ferguson fell ¼ to 27⅞ in profit taking.

Golds were higher as McIntyre Porcupine — attracted mainly for its investment portfolio—climbed ⅞ to 58⅞. Giant Yellowknife was ahead ¼ to 11c and La Luz 10 cents to $6.50 Leitch lost 10 cents to $4 as a sudden, late burst of profit taking cut it down from a high of $4.55 where it was trading for most of the session. Lakeshore gave up 11 cents to $1.99 after announcing it would close down later this year or early in 1965.
