New York: Market lower, trading moderate.

NEW YORK

NEW YORK (AP) — Jitters over Viet Nam Tuesday sent the stock market to one of its worst losses of the year.

The list began to back away slowly in fairly early trading on news of Defence Secretary McNamara's statement that the Vietnamese situation had deteriorated in the last 15 months and that recommendations will be made to fulfil the U.S. commitments to the Vietnamese people.

Later, stocks skidded further on news that Soviet Communist party chief Leonid I. Brezhnev threatened swift retribution against "American interventionists" in Viet Nam and that he called for worldwide Communist unity "to defend the world against imperialist aggression."

The market, which has been dawdling most of the last week or so, reacted with heavy selling.

The Dow Jones industrial average fell 11.47 to 868.79, its worst setback since the June 28 loss of 13.77.

The Associated Press average of 60 stocks fell 4.3 to 320.4. It was the sharpest decline since the AP average fell 4.8, also on June 28.

VOLUME HIGHER

Volume of 4,710,000 shares—while still sub-par for this year—was a large increase over Monday's 3,190,000 shares and the largest since July 9 when 4,800,000 shares were traded.

BM fell 8⅜, Polaroid 3¾ and X 7⅛.

General Motors, Chrysler, International Harvester and New York Central were among losers of a point or more.

Among Canadian issues, Dome Mines gained .1⅜. International Nickel plunged 1⅛, Distillers Seagrams 1, Walker Gooderham ⅜ and Aluminium Ltd. ½.

Prices declined on the American Stock Exchange. Scurry Rainbow Oil dipped ¼ and Fargo Oil 1-16. Canadian Javelin added 1, Brazilian Traction ¼, Preston ⅛ and Molybdenite 1-16.
