MARKETS and FINANCE

Montreal Stocks

MONTREAL (CP) — The stock market displayed slightly higher tendencies at the close Tuesday. Advances, while not impressive in most instances, maintained a definite majority over declines. Strength was restricted to selected issues and several new yearly highs were chalked up.

Industrials were active while brisk dealings in the mining section approached near record levels. Several mines tacked on gains ranging to 40 cents or more — notably those with holdings in Quebec's Chibougamau area.

Utilities, beverages and senior oils showed mild forward movements. A mixed trend prevailed in the paper and base metal clas ifications while the majority of steels were shaded. Banks moved slightly easier.

Aluminium continued to feature the industrial market—the issue climbing to a new top of 117½ before easing to 117, up a point. Increases of a point or more were posted in Eddy Paper A, Fall River, Walker and Weston. Steel soared 5 points to a new peak of 148 while International Petroleum moved up 3⅜ to 28⅝ in a movement of 3,355 shares.

Algoma, strong in recent sessions lost all of Monday's 1½ point advance while Stelco dipped a point.

Canadian Lithium was weak in the mines, hitting a new low of 83 cents before recovering to 85 cents off 15 cents.

New York Stocks

By RADAR WINGET

NEW YORK (AP)—Wide gains by a few key issues Tuesday provided the bulk of strength in the list but the stock market as a whole ended mixed.

Toronto Stocks

TORONTO, (CP)—A few standout gains in base metals featured active stock exchange trading Tuesday. Western oils showed firmness throughout the session.

Base metals took a large share of trading with continuing emphasis on coppers. Most of the seniors were fractionally lower, setting the group's index back more than two points, but some lower-priced issues gained sharply. Among them were Chibougamau Explorers, up 44 to $1.69, Lyndhurst, ahead 36 to $2.54 on favorable drilling reports, Anacon up 45 to $3.90, and Quebec Chibougamau, 18 better at $1.73. Eastern Smelting and Consolidated Fenimore were among the better issues. Opemiska gained ¼ to a high of 10⅜ then slipped to $9.90.

Uraniums recorded a majority of losses, but Gunnar warrants, Pronto and Gulch moved ahead.

Calgary and Edmonton led western oils up with a gain of 50 cents. Petrol Oil was strong, adding 16 to 69. Other changes went to about 25 cents at the most. Federated Pete and Canada Oil Lands were firmer. Sapphire, Great Sweet Grass and Prairie Oil and Gas eased lightly.

Sullivan, Teck-Hughes and Preston East Dome added about 20 cents in a narrowly improved golds group.

Index changes: Golds up .81 to 88.01, base metals down .236 to 219.12 and western oils up 1.29 to 116.92.
