DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto — Market slightly higher; moderate trading.

New York — Market higher; rally continuing.

Montreal — Market mixed; light to moderate trading.

CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 7⅞ per cent in terms of Canadian funds, down 1-32 from Wednesday's closing. Pound sterling closed at $3.02 13-16, up 1-16.

NEW YORK

NEW YORK (AP)—The stock market managed its fourth straight daily rise Thursday, holding gains despite some harsh profit-taking late in the session. Trading was active.

Stocks were strong at the start as they responded to the latest bit of encouraging news from Washington. This time it was the treasury's revised depreciation schedule for the administration figures will cut U.S. corporate taxes by $1,500,000,000 in the first year.

The ticker tape lagged as much as 12 minutes behind transactions in the morning. Trading slowed as prices faded from their tops. Renewed buying brought the price level back toward the peak late in the day, but this drive also fizzled and prices were weakening near the end.

Volume was 5,370,000 shares compared with 4,250,000 Wednesday.

The best of Thursday's rally was achieved in the first hour, when the Dow Jones industrial average showed a gain of 4.10. By the close, the Dow industrials were up only 1.31 at 590.27.

NEAR 600 LEVEL

At its best, the Dow industrial average came more was nearing the important 600 level. Some analysts noted that the recovery move of the last three weeks has been just about as fast as the preceding decline.

"A hysterical bear market rally can be every bit as scary as a panicky break," said economist Elliott Janeway.

From the June 26 intra-day low of 526.69 to the 11 a.m. top of 593.16 Thursday, the Dow industrials had recovered 67.47 points.

The Associated Press average of 60 stocks Thursday rose 1.00 to 220.50.

AT AND T BACKS OFF

The most active stock once more was American Telephone, which backed away from an early gain exceeding a point and ended with a loss of ¼ at 113 on 102,700 shares.

The major steelmakers were up fractions and Lukens gained a point.

An estimated $1,400,000,000 was added to the quoted value of stocks listed on the New York Stock Exchange, based on the rise in the AP average.

International Nickel and Distillers Seagrams, up 1¼ each, led gainers on the Canadian list. Granby Mining added ¼ and Aluminium Ltd. ⅝. Walker Gooderham was off ½ and Dome Mines ¼ while Canadian Pacific and McIntyre Porcupine eased ⅛ apiece.

American exchange prices continued to rally. Jupiter Corp. was up ⅝ while gains of ¼ each were registered by Brazilian Traction and Surety Rainbow Oil. Shawinigan lost ¼.

TORONTO

TORONTO (CP)—Exuberant trading in a handful of low-price mining issues brought a spark of life into an otherwise lacklustre stock market Thursday.

Leading the speculative pack was Violamac Mines which reported making a copper discovery on its property near Timmins in northern Ontario. The stock traded more than 556,000 shares, leaping $1.23 to $1.98.

Other big traders included New Kelore, trading 336,000 shares for a gain of seven cents at 13 cents; Bidcop, churning through 166,100 shares and rising 7½ cents to 14 cents; and Kirkland Minerals, turning over 137,000 shares for a climb of 13 cents to 40 cents.

In the industrial list, trading was quiet with plus signs taking a slight edge. Aluminium rose ⅝, Distillers Seagrams and Seven Arts one point each, Imperial Oil ¾ and Consumers' Gas ¼.

Losers included Bank of Montreal, down a point, Interprovincial Pipe Line, off ⅝, Alcoma Steel and Abitibi, each down ¼, and Canadian Imperial Bank of Commerce, off ⅛.

On the exchange index base metals rose 1.70 at 194.56.

Closing volume was 3,016,000 shares — best since May 30—compared with Wednesday's 1,246,000.

International Nickel paced base metals, rising 1½ to 62¼. Falconbridge, Hudson Bay Mining and Noranda all dropped ¼.
