NEW YORK

NEW YORK (AP)—The stock market showed renewed signs of tiring today in long avance Monday and settled irregularly lower on the lightest trading in a month.

The loss was slight but the session had a resemblance to last Wednesday's, when a lower trend was accompanied by dull trading.

The Dow Jones Industrial average dropped 1.18 to 682.01.

Volume of 2,000 stocks compared with Friday's 4,280,000 and was the smallest since Jan. 2 when 2,540,000 shares changed hands.

Demand for Chrysler, General Motors, and American Telephone highlighted the session but all of these issues closed beneath their best levels of the day. General Motors touched another historic high and Chrysler established a fresh peak for 1962-1963.

The Associated Press average of 60 stocks eased .2 to 256.3.

Chrysler returned to the top of the most-active list, rising ⅞ to 85⅞ on 69,500 shares. Wall Street anticipates that directors may declare a higher dividend when they meet later this week.

General Motors was up ⅛ at 63½.

International Nickel lost 1⅝. Steels were narrowly mixed despite the improvement in steel industry news.

Besides International Nickel, other losers among Canadian issues were Distillers Seagrams, which fell 1 and McIntyre Porcupine, down ⅝. Walker Gooderham rose ½ and Hudson Bay Mining, Dome Mines and Aluminium Ltd. ¼ apiece.

Prices were mixed on the American Exchange. Volume was 1,070,000 shares compared with 1,270,000 Friday. Preston was up ¼ and Fargo Oil 1-16. Dropping ⅛ each were Shawinigan, Jupiter Corp. and Scurry Rainbow Oil.
