LUCKY LION CUB

This lucky three-month-old lion had pretty Air Canada hostess Donna Whealy to greet him when he arrived by plane from Windsor in Toronto. The cub will be used in a promotion campaign at the Toronto hardware show this week. From Toronto it will go to Montreal and from there it will be donated to the zoo at Granby, Que. (CP Wirephoto)

CURRENCIES

MONTREAL (CP) — United States dollar in terms of Canadian funds was unchanged at $1.07 19-32. Pound sterling was unchanged at $3.01⅝.

NEW YORK

NEW YORK (AP)—The stock market was buffeted by selling today on a report of a North Viet Nam peace feeler but recovered almost all its lost ground in a strong recovery drive.

Losers outnumbered gainers by 710 to 491 among the 1,426 issues traded and Standard and Poor's 500-stock index was off .04 at 93.55.

The 30-stock Dow Jones industrial average ended with a small gain as did the Associated Press average of 60 stocks, thanks to advances by a scattering of heavyweight blue chips.

The Dow industrials ended up 1.34 at 991.03. The AP average was up .3 at 366.5.

Aerospace issues, electronics and a wide range of other stocks were dumped indiscriminately early in the afternoon on a report that North Viet Nam President Ho Chi Minh asked the Indian government to initiate peace moves in Viet Nam. The wave of emotional selling caused the new, 900 character-a-minute ticker tape to fall as much as 19 minutes behind transactions—its greatest lag in its career of a little more than a year.

BEGAN TO STIFFEN

Bargain-hunters then began to come into the market and prices began to stiffen. The process of improvement was hastened by bulletin news from Honolulu that top officials of South Viet Nam had made it clear they are unwilling to negotiate with representatives of the National Liberation Front, the political arm of the Viet Cong.

Trading was the heaviest of 1966, with volume at 10,550,000 shares compared with 7,950,000 Monday.

At the close, Boeing was off 1⅛, General Dynamics 1⅞, Douglas Aircraft and United Aircraft ⅝ each.

IBM (ex-dividend) ended with a gain of 7⅝ and Xerox was up 6¾.

Among Canadians, McIntyre Porcupine gained 2 points and International Nickel ½. Canadian Pacific lost 1½. Dome Mines g and Aluminium Ltd. ¼. Hudson Bay Mining was up ⅜.

The trend on the American Exchange was irregularly lower. Canadian Javelin lost ¾. Brazilian Traction and Canadian Marconi were off ⅛. Scurry Rainbow Oil was up ¼.
