NEW YORK

NEW YORK (AP) — Early weakness failed to generate much selling pressure and the stock market finished strong Wednesday, notching up another in a remarkable series of daily gains.

For the Dow Jones industrial average it was the ninth straight daily advance and the eighth straight record.

The Dow industrials, Associated Press and Standard and Poor's indicators also posted closing highs.

Volume swelled to 6,120,000 shares from 5,470,000 Tuesday.

The Dow Jones industrial average closed with a rise of 2.53 at 906.30.

The Associated Press average of 60 stocks, after two sessions of decline, advanced .5 to a record of 337.3, with industrials up 1.0 to a peak, rails off .1 and utilities up .3.

Of 1,372 issues traded, gainers outnumbered losers by the fairly wide margin of 603 to 483. Highs for 1964-65 outnumbered lows by 115 to 4.

The advance was accomplished despite a loss of 2½ by Du Pont, a further drop by General Motors of and a loss of ¾ by Ford, which reported record earnings. Chrysler, last of the big three automakers to report on finances, gained 1 at 59½ as third most active issue.

Texas Gulf Sulphur recaptured its oft-occupied position as most-active stock, rising 1 to 65 on 134,100 shares as street estimates of its mineral wealth near Timmins, Ont., continued glowing.

Among Canadian issues, Canadian Pacific and Hudson Bay Mining were leaders with gains of each. Dome Mines was up ½ and Distillers Seagrams and Walker Gooderham each gained ¼. International Nickel was down 1 and McIntyre Porcupine lost ⅜.

Prices were irregularly higher on the American Exchange. Volume was 1,950,000. Scurry Rainbow Oil was up 2⅛ and Canadian Javelin posted an advance of ⅝. Brazilian Traction and Canadian Marconi each lost ⅛.
